Imprime, recorta y plastifica el resto de páginas

Pegamos velcro en los huecos del calendario y en las tarjetas correspondientes a los meses, año, estaciones y acontecimientos.

- A principios de cada mes le damos las etiquetas al alumno para que vaya pegando en el orden correspondiente los números del mes y al lado de éstos los acontecimientos a recordar del mes, así como el símbolo de casa para los fines de semana.
- Además del cartel para el aula podemos trabajarlo de forma escrita con la última ficha.
