# INSTRUCTIONS:

Imprimer la page 1, la photocopier en A3 et la plastifier.

Imprimer, découper et plastifier le reste des pages.

Coller du velcro dans les cases du calendrier et au dos des cartes indiquant les mois, années, saisons, évènements...

- A chaque début de semaine, l'enfant peut accrocher lui-même la date, la saison, les évènements qui vont avoir lieu, ainsi que les cartes maison pour les retours à domicile.
- La première page est le tableau qui reste au centre, le dernier tableau permet de faire un agenda écrit, dans le classeur personnel de l'enfant par exemple.
