

# MATERIAL TEACCH PARA TRABAJAR CON PINZAS DE LA ROPA:

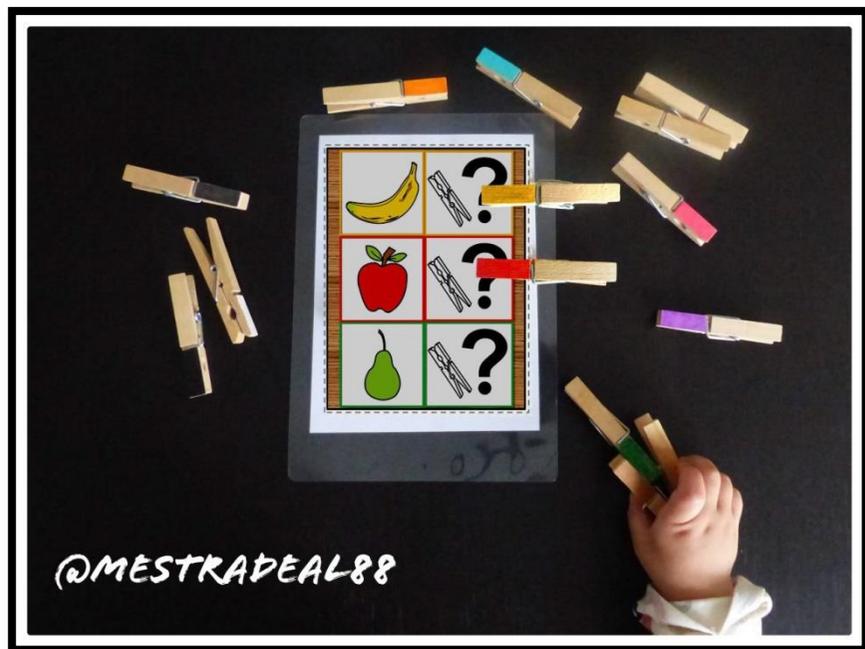

ATENCIÓN VISUAL, MOTRICIDAD FINA, VOCABULARIO POR CAMPOS  
SEMÁNTICOS, Y ASOCIACIÓN DE COLORES!

ELABORADO CON PICTOGRAMAS ARASAAC

POR: DIANA BERICOCHEA ÁLVAREZ  
@mestradeal88

## Presentación del material:

Estas tarjetas están pensadas para trabajar la asociación de colores de forma manipulativa y gracias a objetos tan cotidianos como son las pinzas de la ropa.

Se trata de una serie de tarjetas que recogen elementos agrupados en función de diversos campos semánticos: **frutas, ropa, animales, verduras y hortalizas, dulces y chucherías, juguetes, naturaleza, profesiones, y transportes.**

Cada elemento está acompañado de una pinza y una interrogación, lugar donde el niño o la niña deberá colocar la pinza del color que corresponda, como podemos apreciar en la imagen de la izquierda.

Se trata de una **metodología teacch** que busca potenciar la máxima autonomía del alumn@, por ello el material cuenta con claves visuales de color que ayudarán al niñ@ a realizar la actividad de forma adecuada e independiente. Como vemos en la imagen el

cuadro del interrogante también es amarillo, dando una pista del color que debe tener la pinza que coloquemos encima.

Este material permite trabajar diversos aspectos además de la **asociación de colores**:

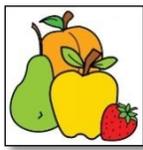

- **Motricidad fina:** que desarrollamos manipulando las pinzas.
- **Vocabulario y categorización del mismo:** gracias a la clasificación de los elementos por categorías.
- **Atención visual:** imprescindible para realizar la tarea con éxito.

Para preparar el material basta con **imprimir este documento**, para después recortar y plastificar las diferentes tarjetas. Y por último:

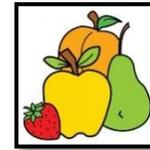

## A disfrutarlo!
