

EL OSO MARRONOSO

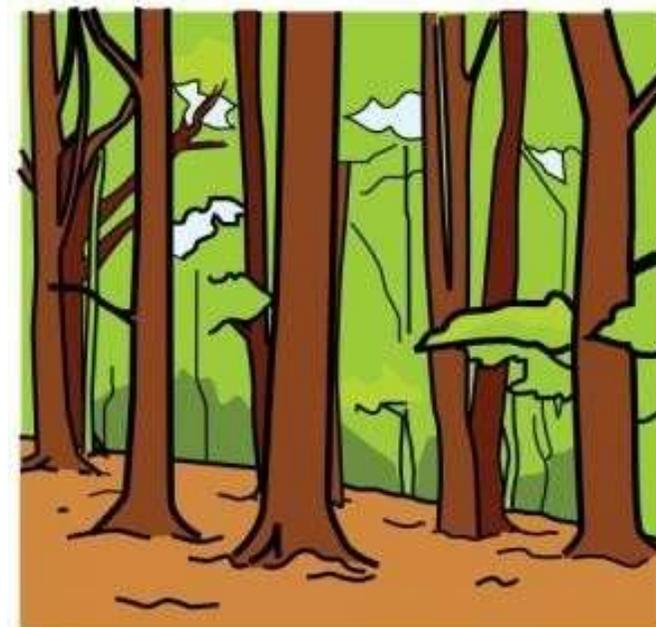

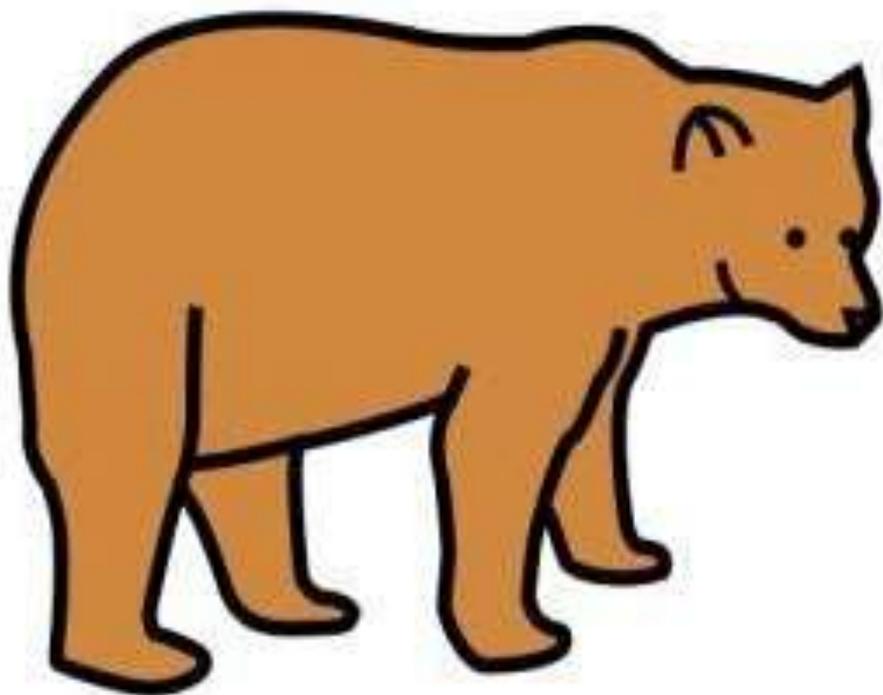

Había una vez un oso un poco mágico.
Se llamaba Marronoso.

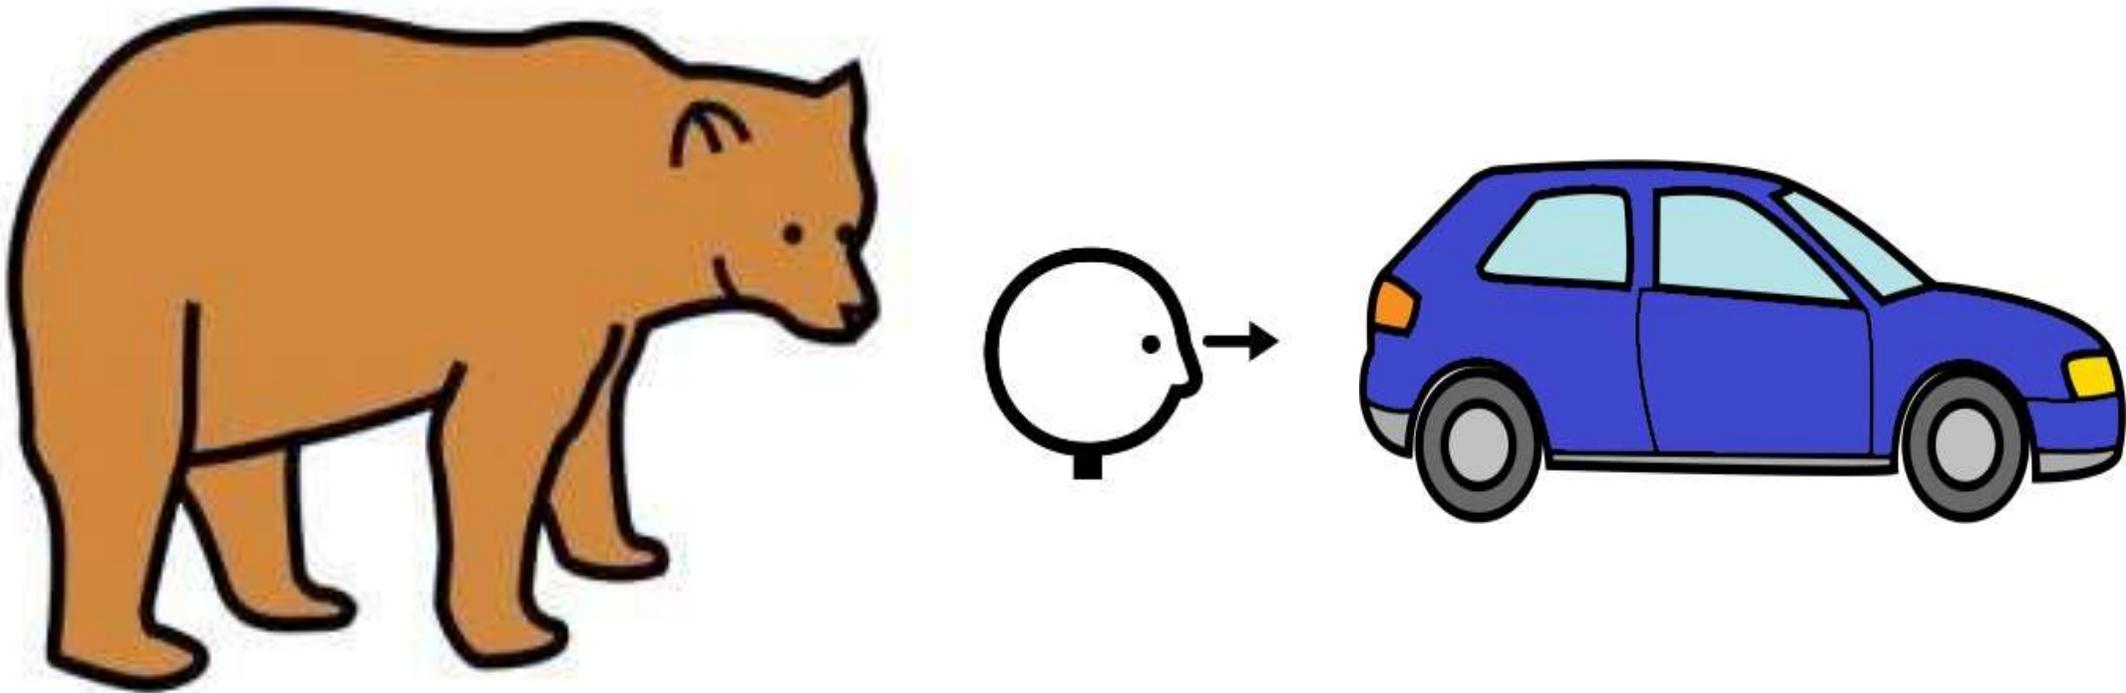

Todos los días su mamá le decía:
“Marronoso, ten cuidado con la magia. No seas pillo”.
“Sí, mami”, contestaba Marronoso.

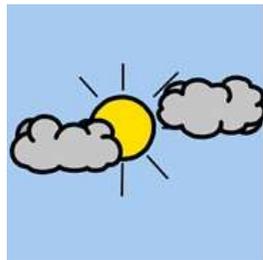

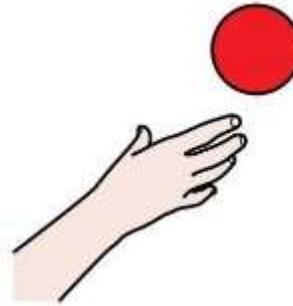

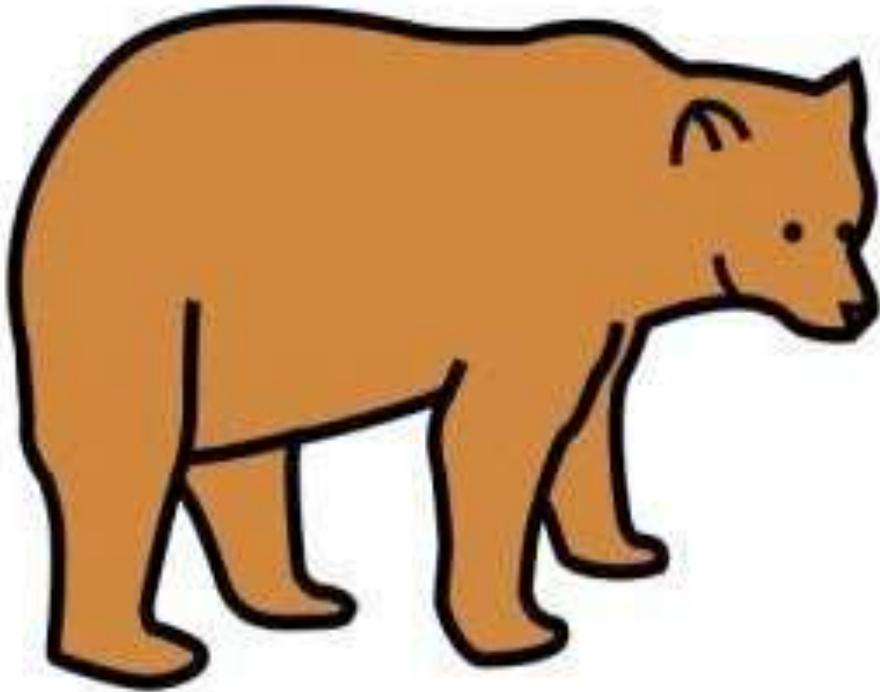

Un día Marronoso salió a dar un paseo por el bosque.

Cuando de repente Marronoso vio un coche de color azul.

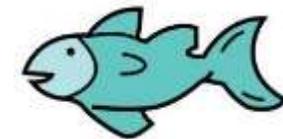

Y Marronoso quería ser azul como...

El cielo

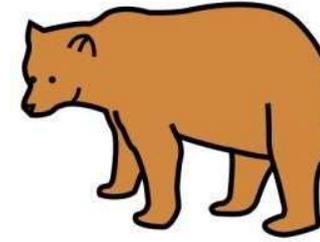

El mar

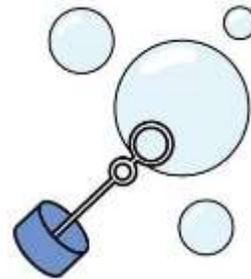

Un pez

Así que hizo un poco de magia...

y

y

“Brujas

y

burbujas

flores

y

girasoles,

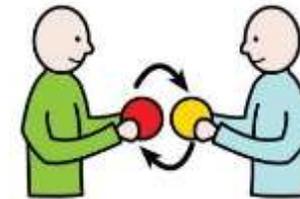

con la fuerza

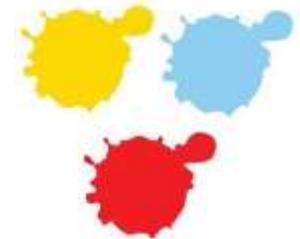

del amor,

yo

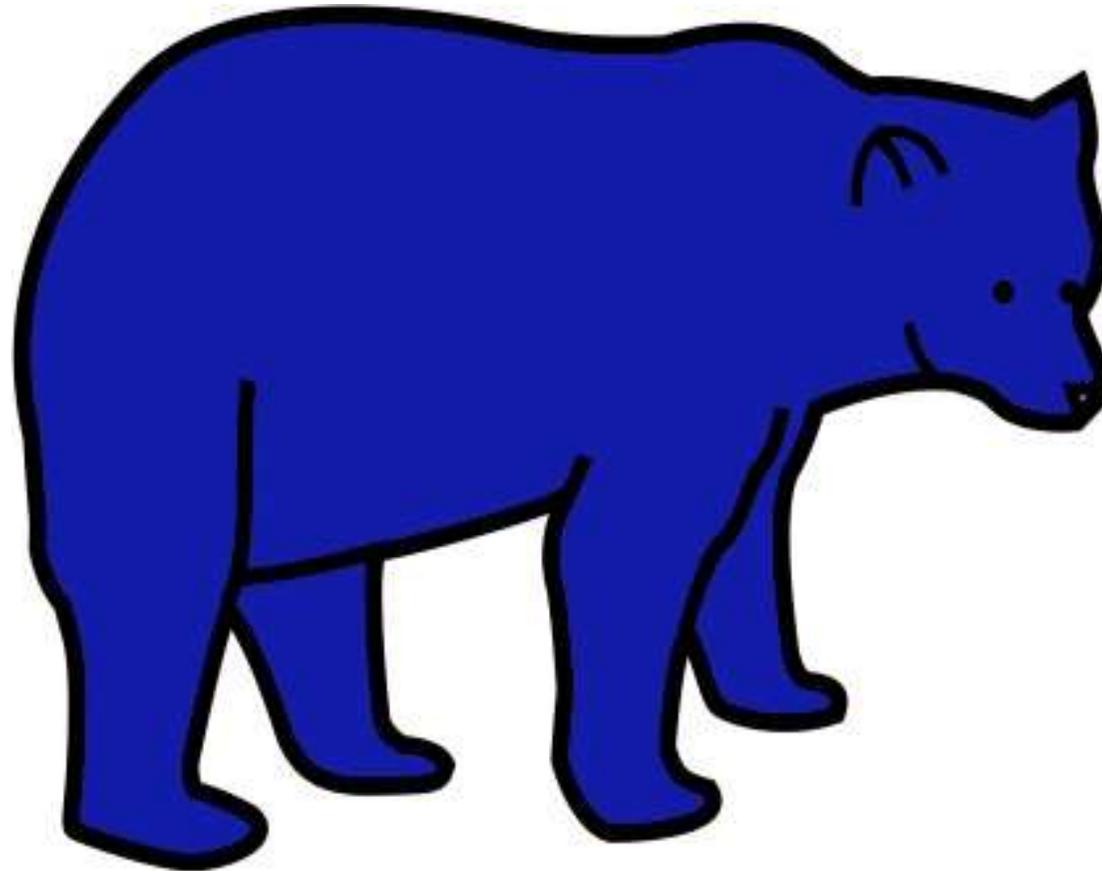

me cambio

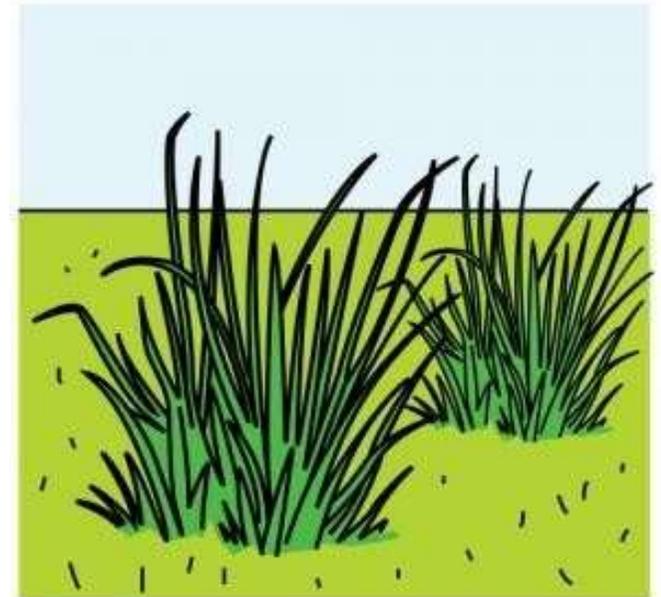

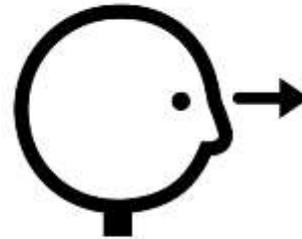

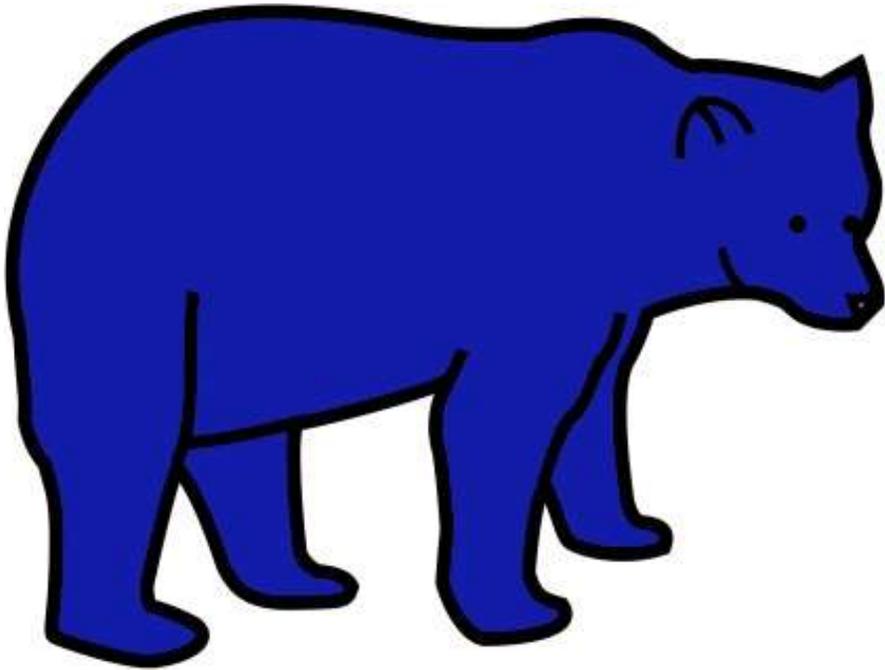

de color”.

Y se convirtió en azul:

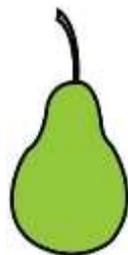

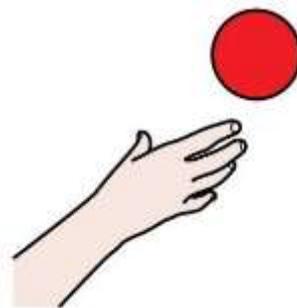

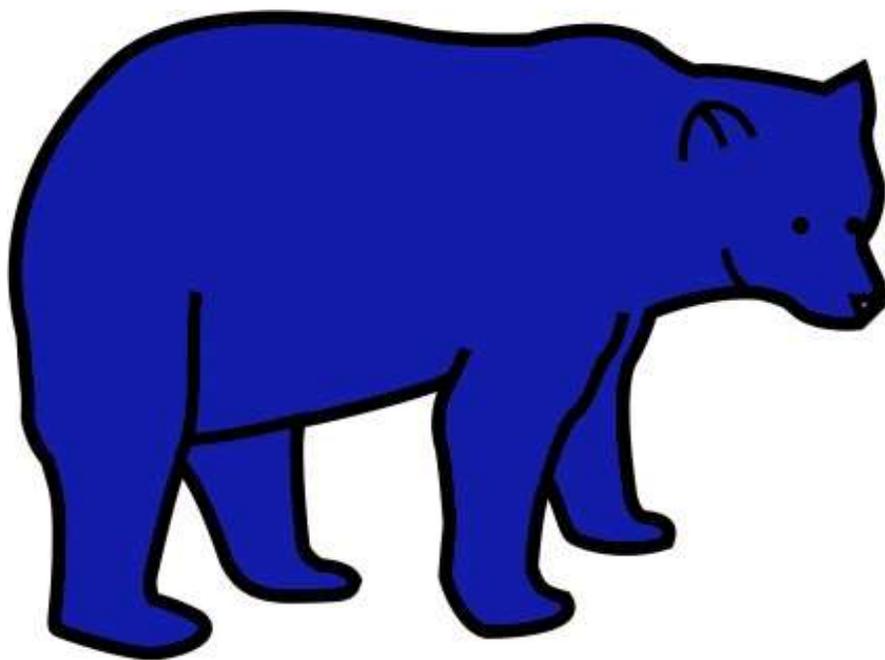

“Soy el oso azuloso, soy el oso azuloso”.

Al ratito, Azuloso vio una hierba verde.

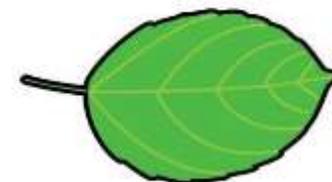

Y Azuloso quería ser verde como...

Una pera

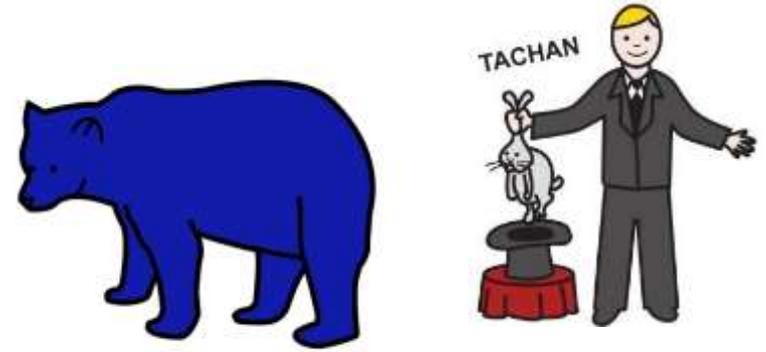

Una rana

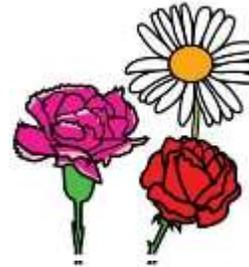

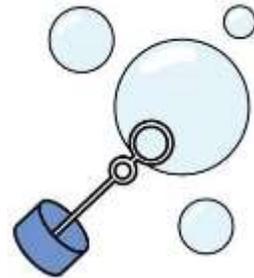

Las hojas de los árboles

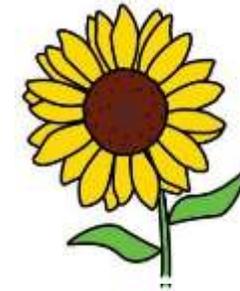

Así que hizo un poco de magia...

y

y

“Brujas

y

burbujas

flores

y

girasoles,

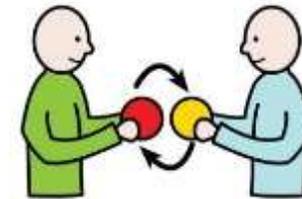

con la fuerza

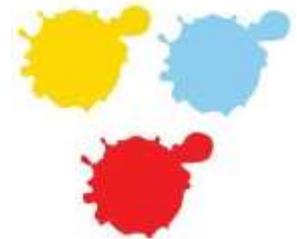

del amor,

yo

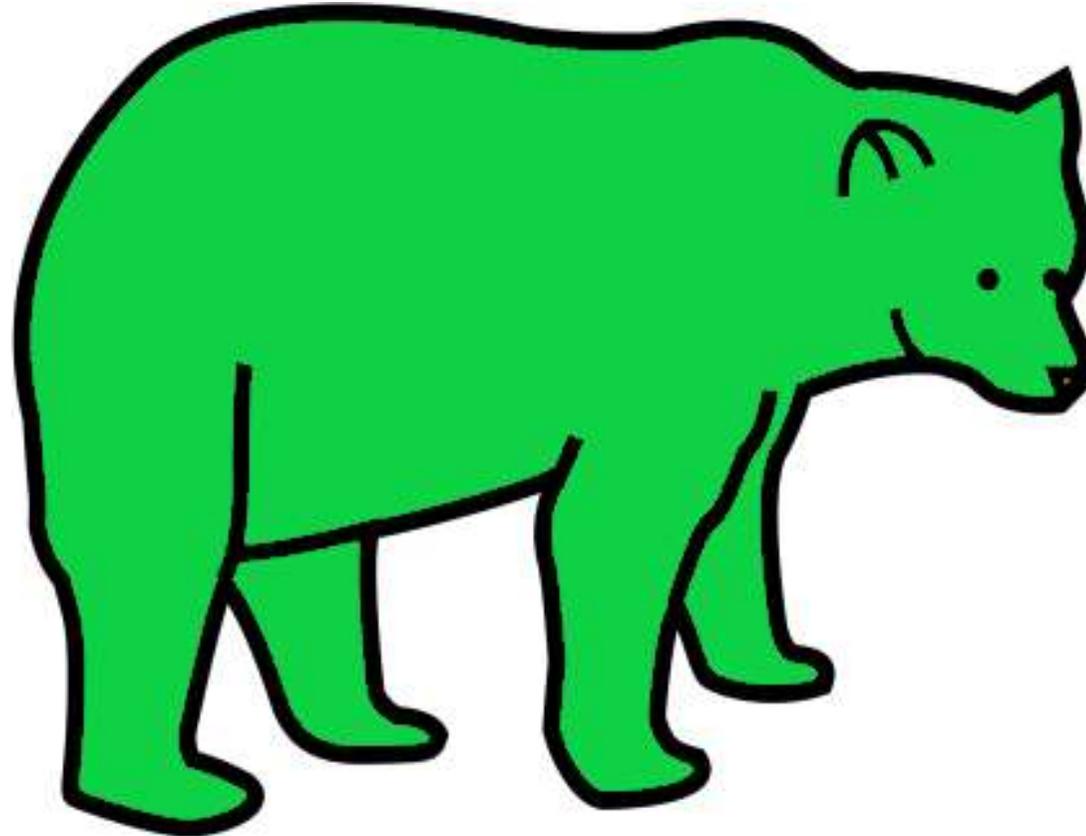

me cambio

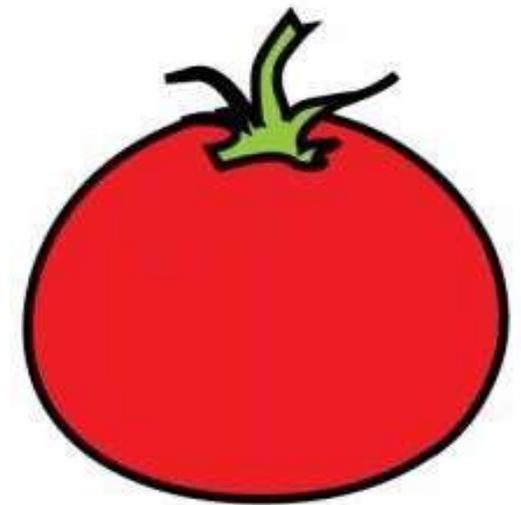

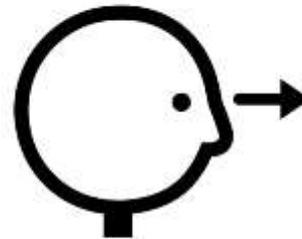

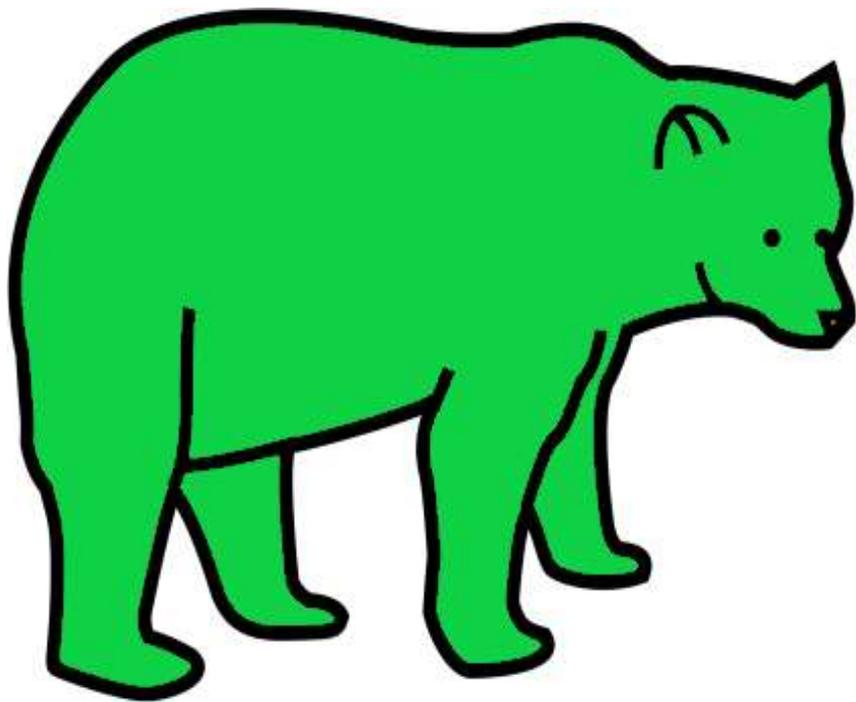

de color”.

Y se convirtió en verde:

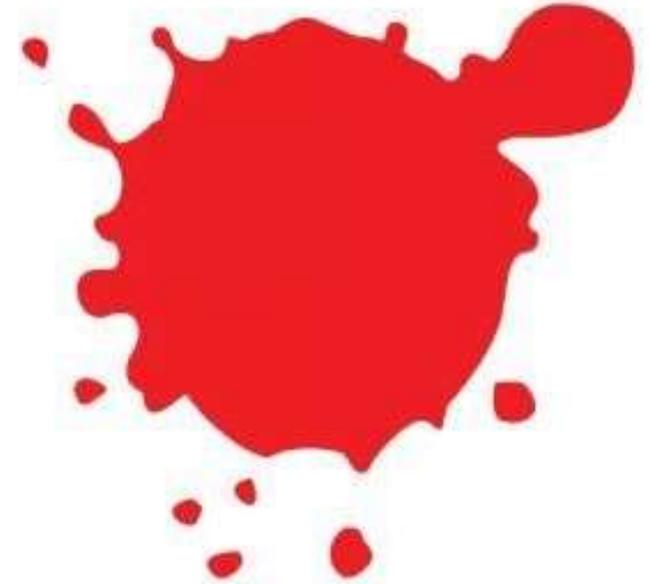

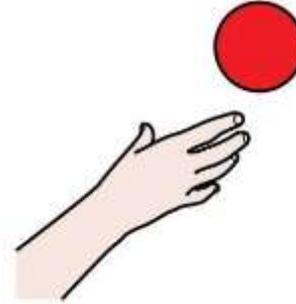

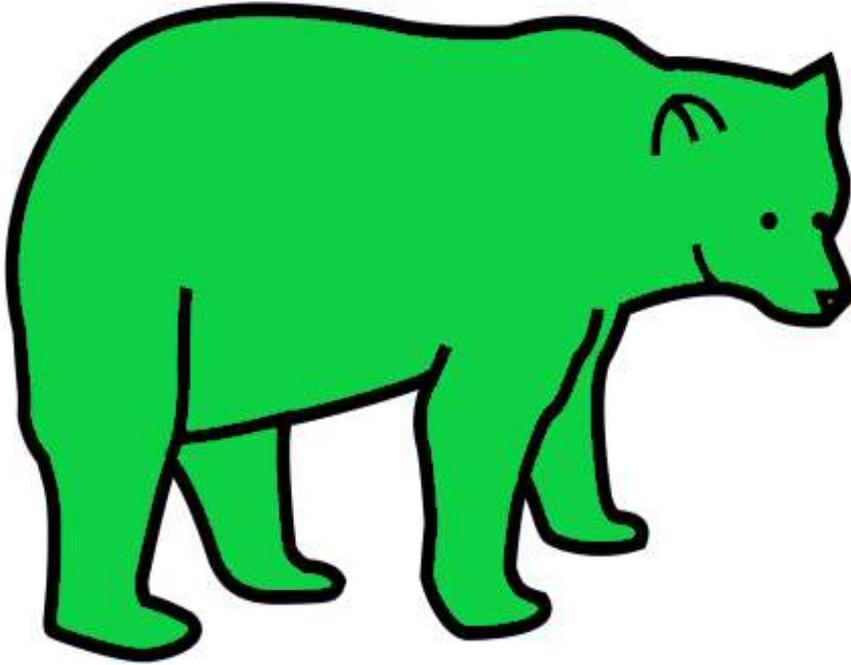

“Soy el oso Verdoso, soy el oso Verdoso”.

Cuando de repente Verdoso vio un tomate rojo.

Y Verdoso quería ser rojo como...

Una fresa

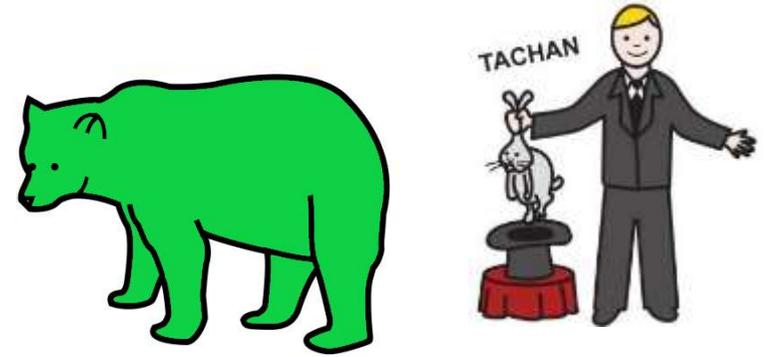

Una manzana

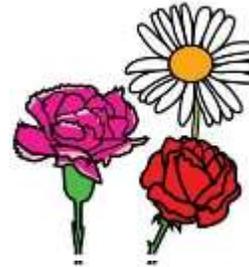

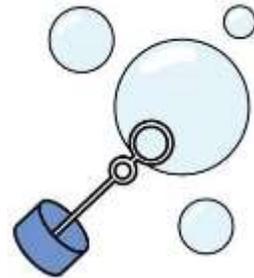

Un corazón

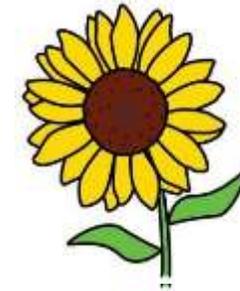

Así que hizo un poco de magia...

y

y

“Brujas

y

burbujas

flores

y

girasoles,

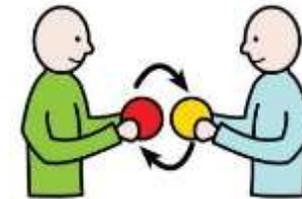

con la fuerza

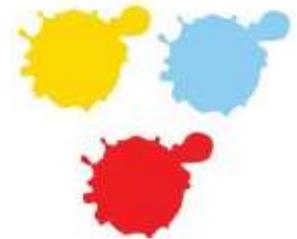

del amor,

yo

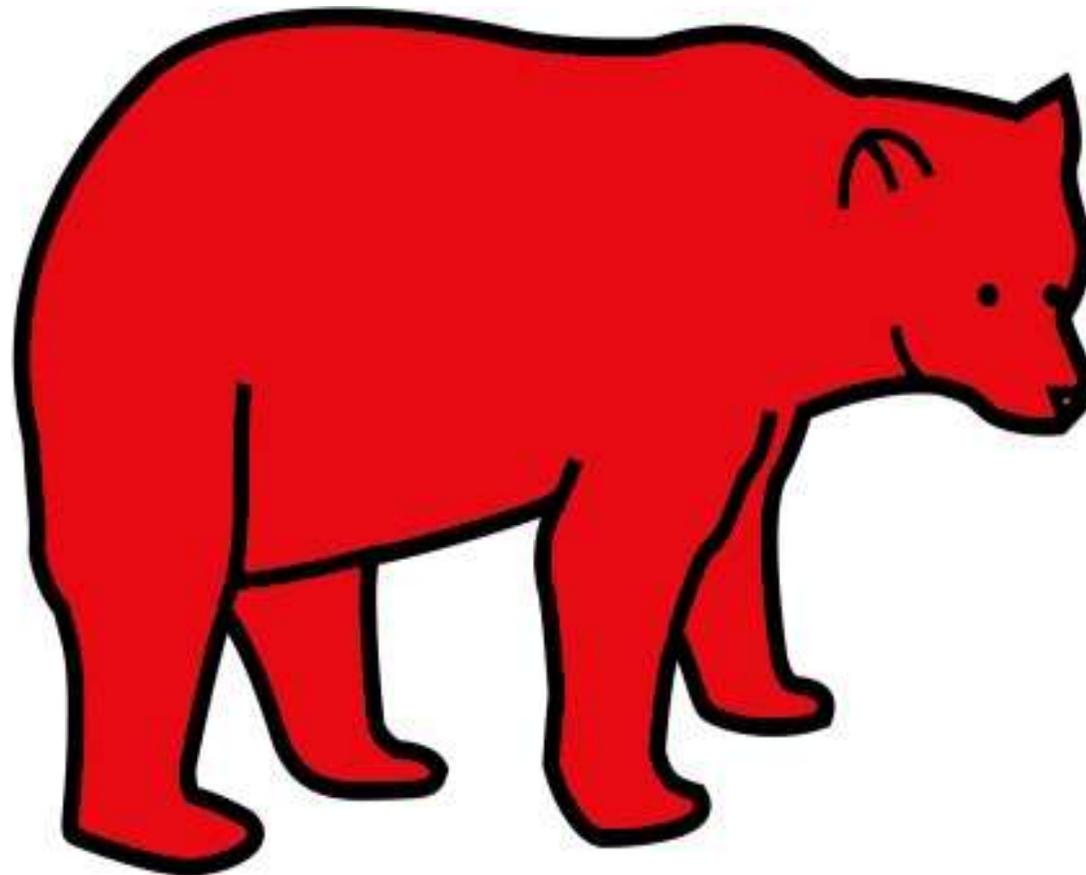

me cambio

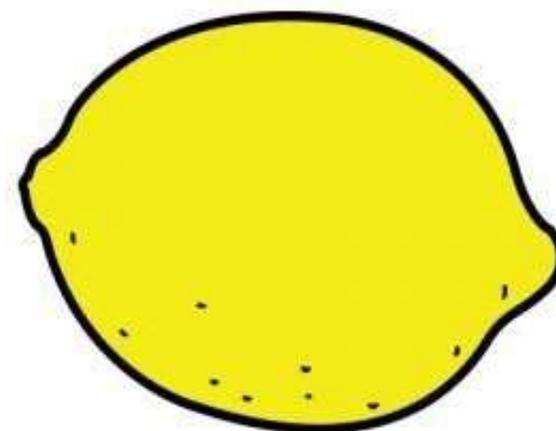

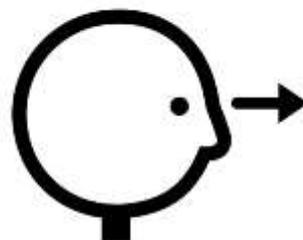

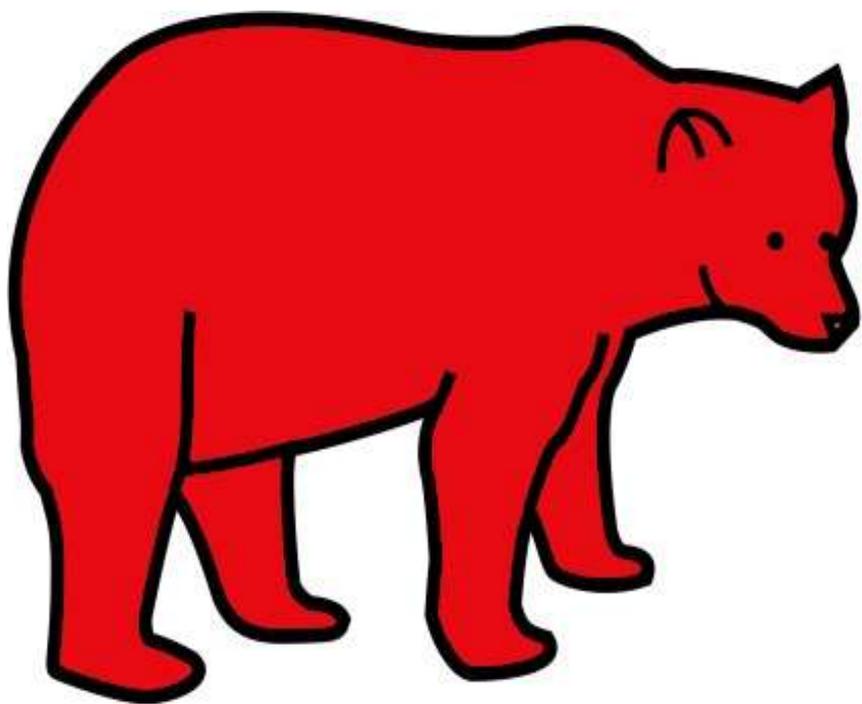

de color”.

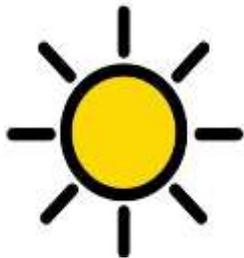

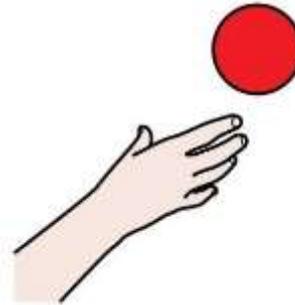

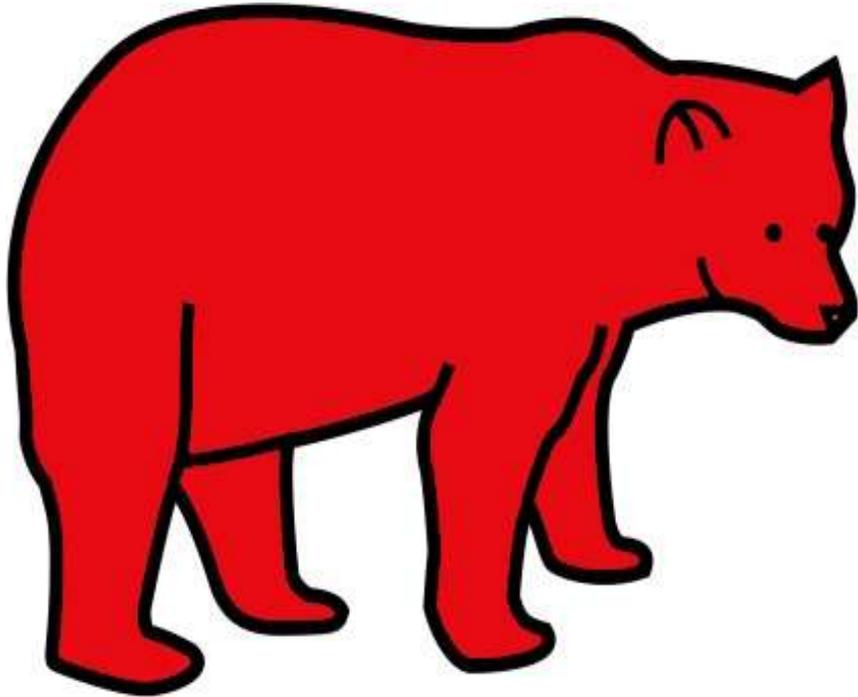

Y se convirtió en rojo:
“Soy el oso Rojoso, soy el oso Rojoso”.

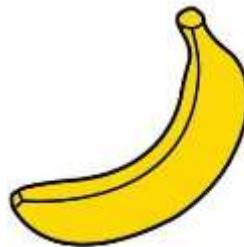

Poco después Rojoso vio un limón amarillo.

Y Rojoso quería ser amarillo como...

El sol

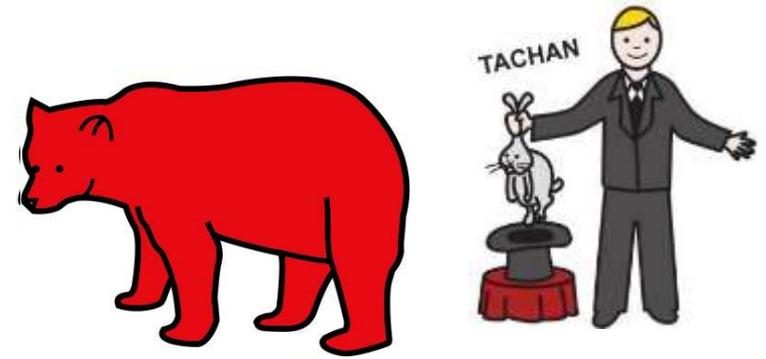

Un plátano

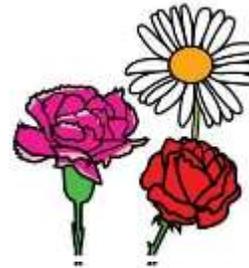

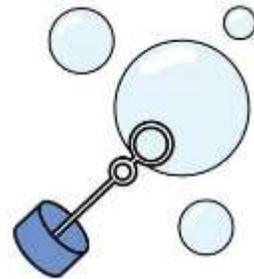

Un girasol

Así que hizo un poco de magia...

y

y

“Brujas

y

burbujas

flores

y

girasoles,

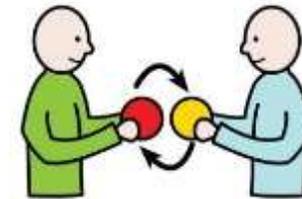

con la fuerza

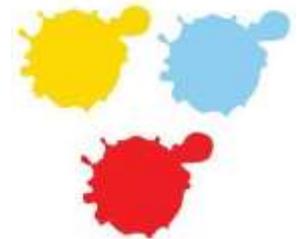

del amor,

yo

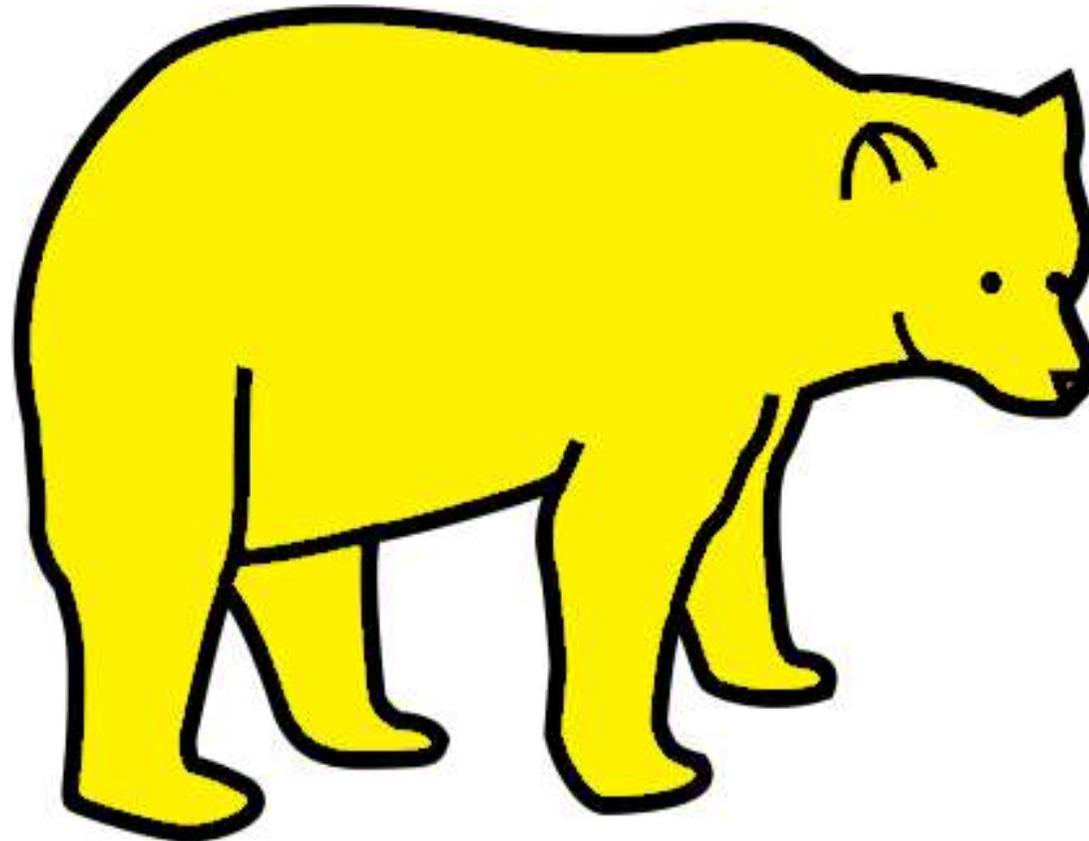

me cambio

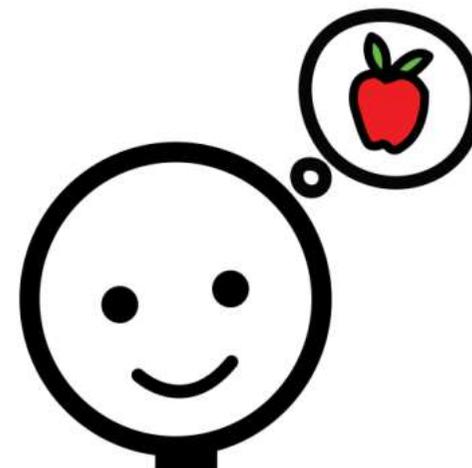

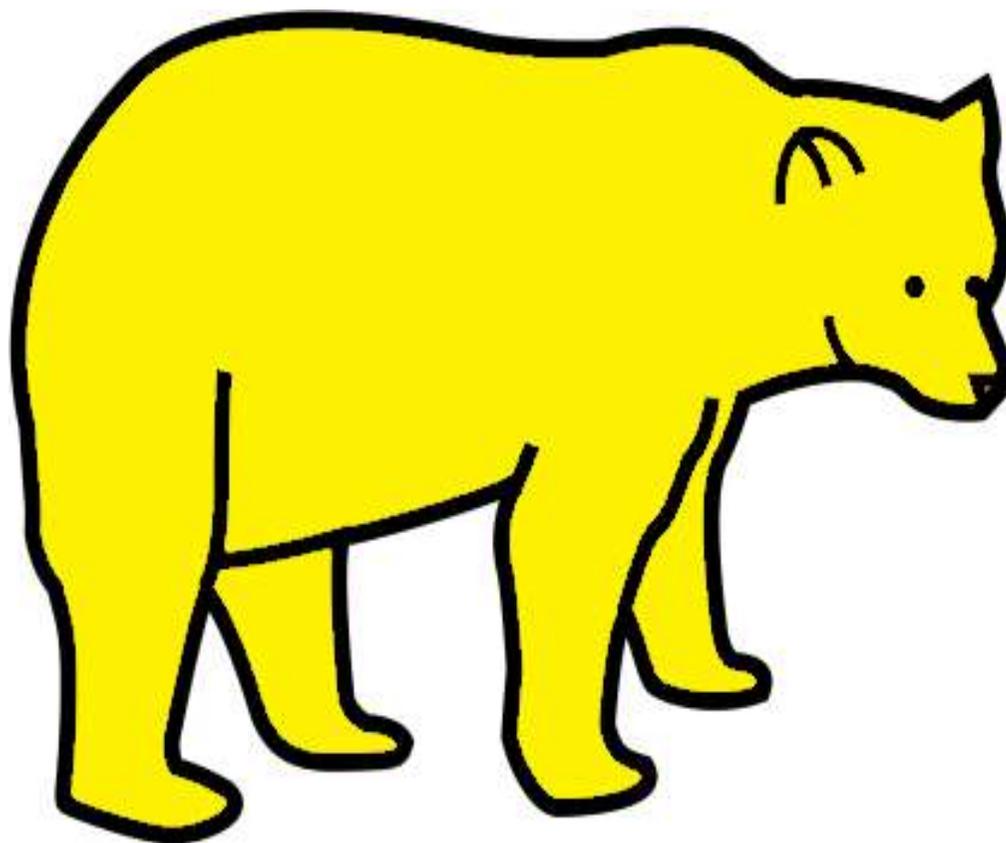

de color”.

Y se convirtió en amarillo:

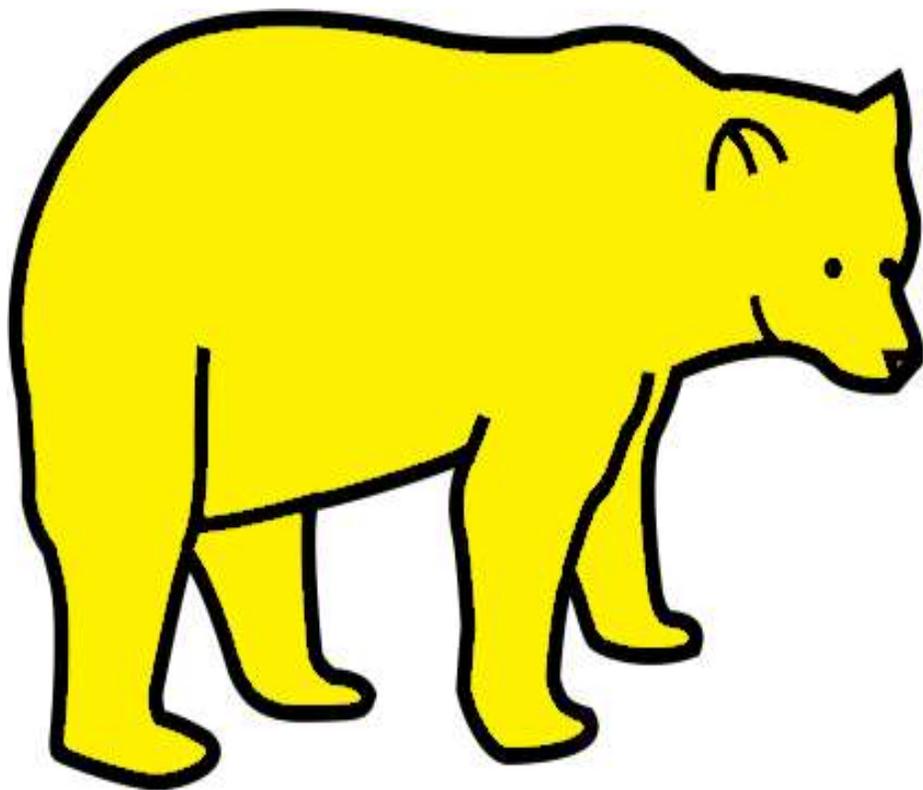

“Soy el oso Amarilloso, soy el oso Amarilloso”.

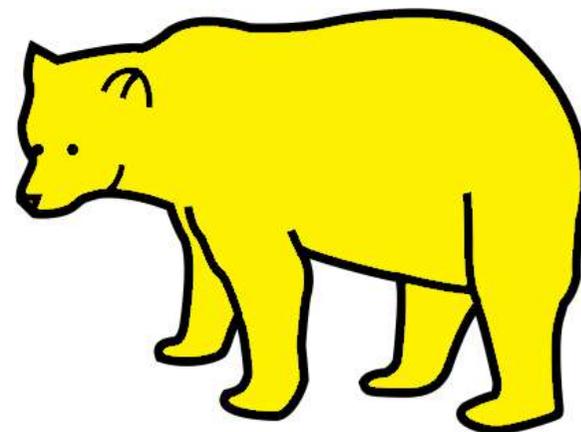

Amarilloso empezó a tener mucha hambre.

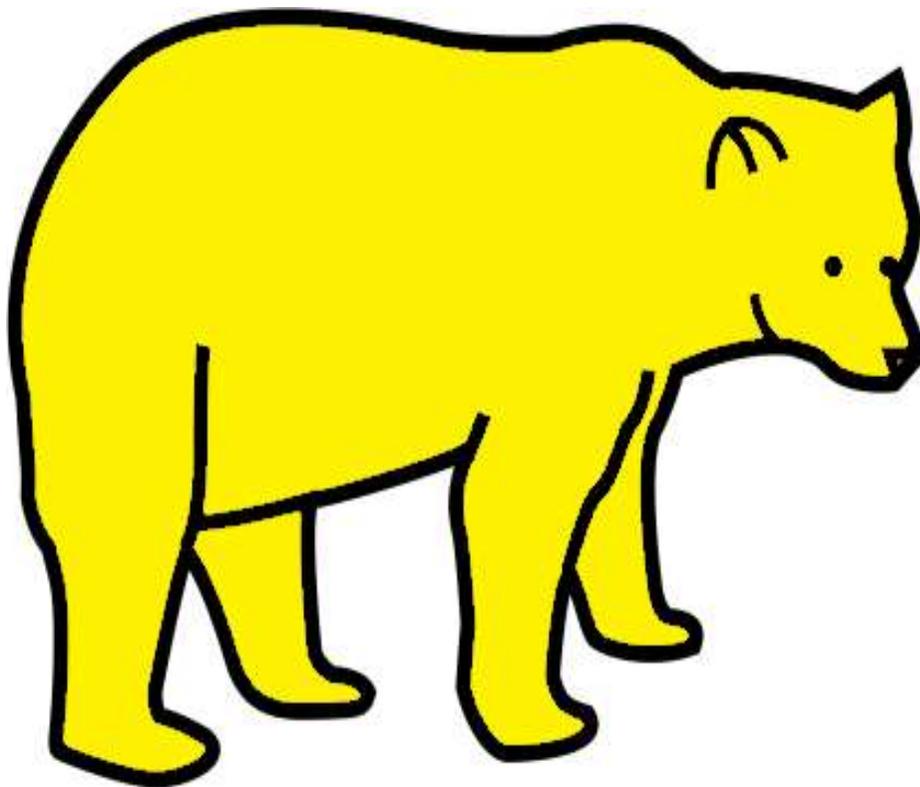

Y se fue a su casa.

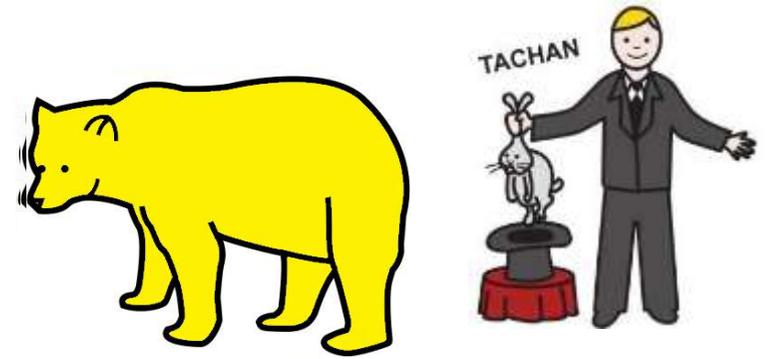

Pero su mamá no le reconoció.

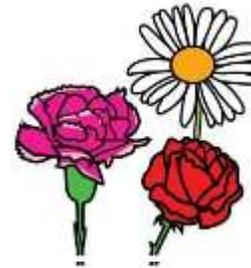

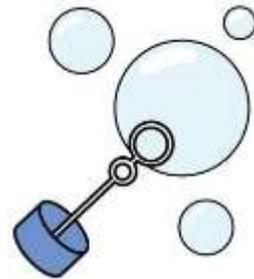

Y el osito se puso muy triste.

Así que hizo un poco de magia...

y

y

“Brujas

y

burbujas

flores

y

girasoles,

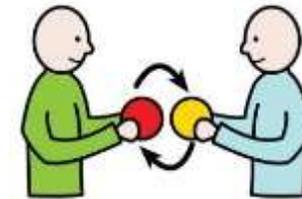

con la fuerza

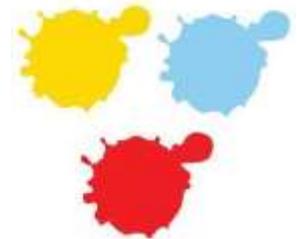

del amor,

yo

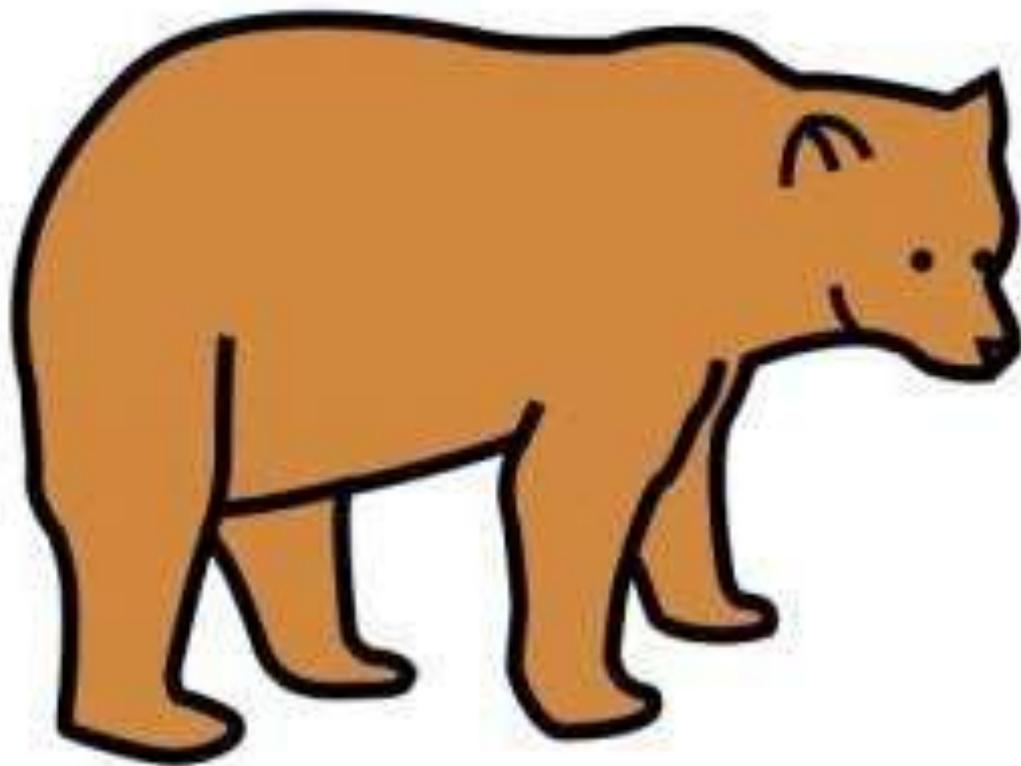

me cambio

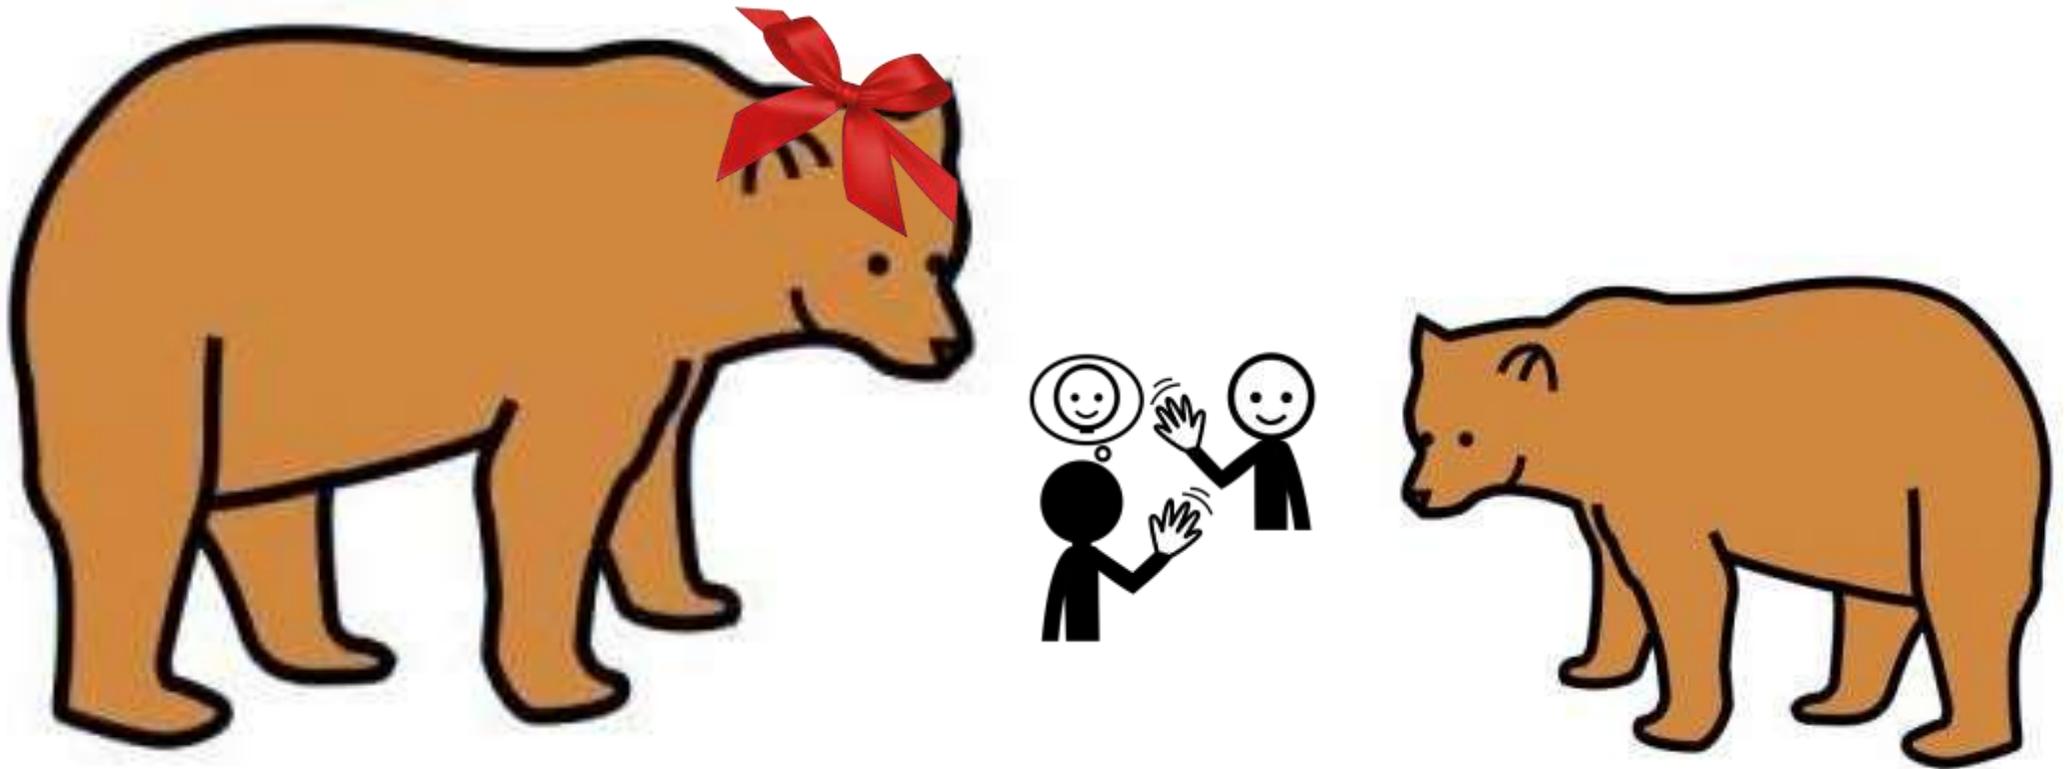

de color”.

¡¡Y se convirtió en marrón otra vez!!

Ahora, su mamá sí le reconoció.

Y merendaron juntos chocolate.
