¿CÓMO INVENTAR UN CUENTO?

INICIO

¿QUIÉN?

¿CÓMO ES?

¿CÓMO ESTÁ?

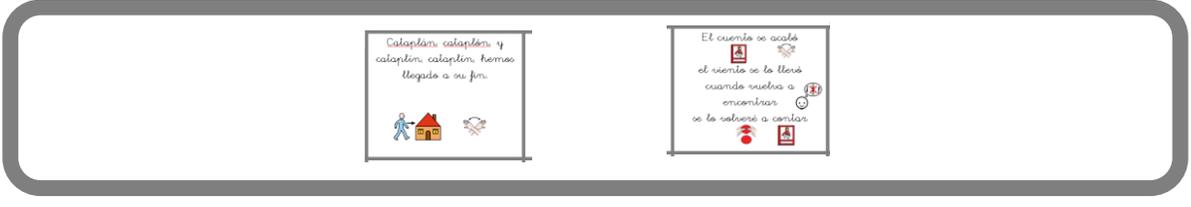

¿QUÉ PASÓ?

¿DÓNDE?

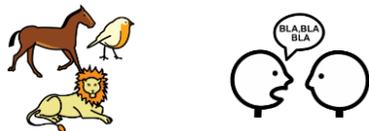

FIN

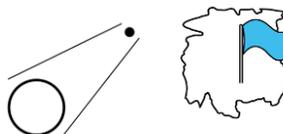

Inicios de cuento

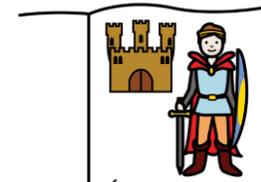

Cuando los
animales hablaban

En un lejano país

Érase que se era...

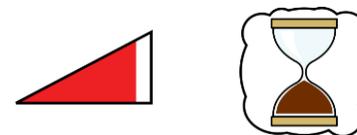

Érase una vez y mentira
no es...

Érase una vez...

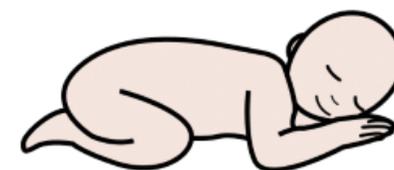

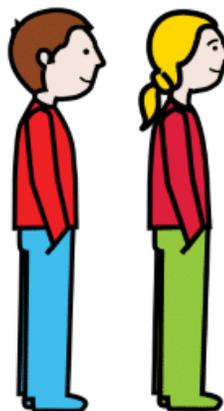

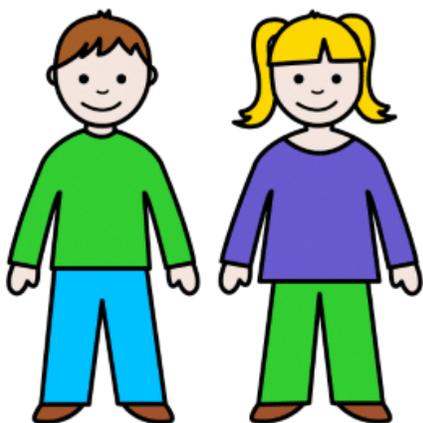

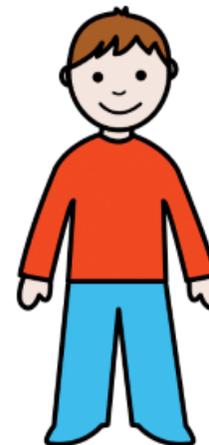

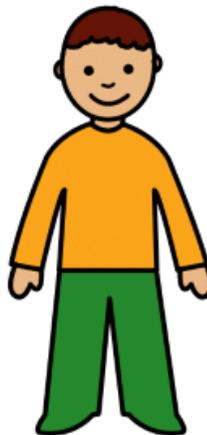

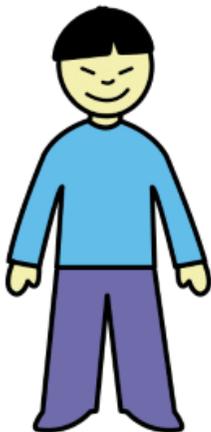

Hace mucho,
mucho tiempo...

Finales de cuento

Cataplán, cataplón, y
cataplin, cataplin, hemos
llegado a su fin.

El cuento se acabó,
el viento se lo llevó,
cuando lo vuelva a
encontrar
se lo volveré a contar

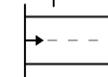

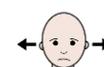

Colorin colorado

COLORIN
COLORADO

ya este cuento se ha
acabado...

y el tuyo no ha empezado

Colorin colorado

COLORIN
COLORADO

este cuento se ha acabado

Fueron felices

y comieron perdices

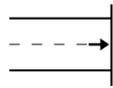

Se acabó este cuento

y todos contentos
