

MATEMÁTICAS TEACCH

POR DIANA BERICOCHEA

@EDUCACIÓNESPACIAL

pICTOGRAMAS DE ARASAAC

Caderno de matemática estilo TEACH para trabalhar conceitos básicos de lógica, matemática com uma apresentação visual que antecipa a explicação da tarefa a realizar.

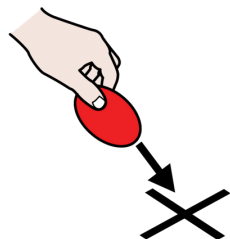

O seu propósito é trabalhar as habilidades matemáticas oferecendo autonomia ao aluno já que, a sua estética oferece a informação exata para desenvolver as atividades sem indicação verbal.

Adaptado com pictogramas de ARASAAC está especialmente indicado para os alunos com PEA. Para preparar o caderno devemos imprimir o documento e plastificá-lo. Além disto devemos imprimir também o documentos com as peças destacáveis, posteriormente recortar, plastificar e preparar com velcro.
