PICTOGRAMAS DE ARASAAC

PRESENTACIÓN

Cuaderno de Navidad de estilo TEACCH para trabajar vocabulario y atención con una presentación visual que infiere la explicación de la tarea a realizar. Su propósito es trabajar la Navidad ofreciendo autonomía al alumno ya que su estética ofrece la información precisa para desenvolver la actividad sin indicaciones verbales.

Adaptado con pictogramas de ARASAAC está especialmente indicado para alumnado con TEA. Para preparar el cuaderno hay que imprimir este documento y plastificarlo. Además hay que imprimir el documento de piezas móviles, recortar, plastificar y preparar con velcro.
