JOCs

MEMORY

Col.loquem les imatges cap per avall i per torns aixequem dos targetes. Si coincideixen, se les queden. Qui aconseguixi més parelles guanya.

FER PARELLES

Han de buscar les parelles iguals i emparellar-les.

RECORDA

Pesento diverses imatges, tanquen els ulls i en trec una. Quina he tret? Què ha canviat?

ASSENYALA

Poso totes les imatges sobre una superfície i, quan dic el nom d'una imatge, han de buscar-la i assenyalar-la. Mostraré la imatge model a l'alumne que necessiti un referent visual.

JOCS

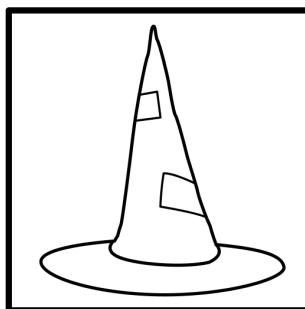

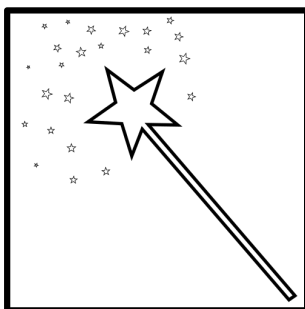

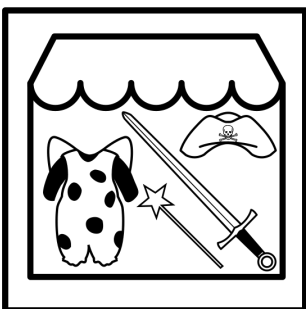

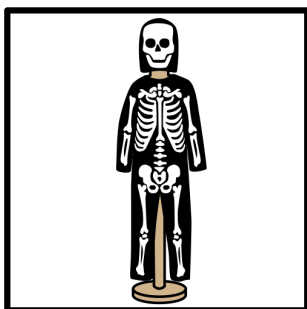

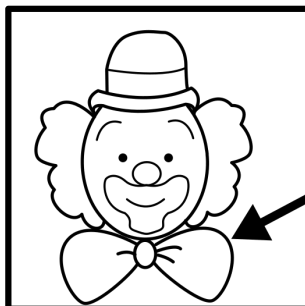

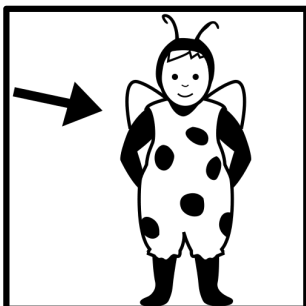

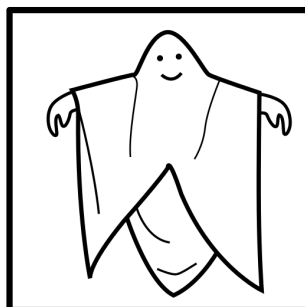

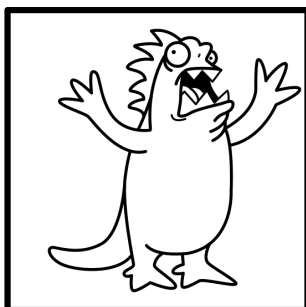

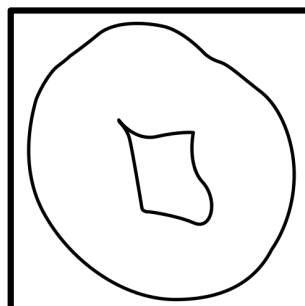

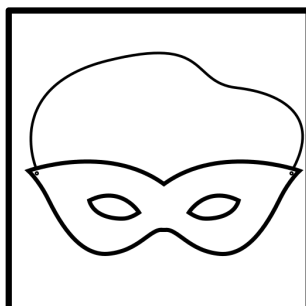

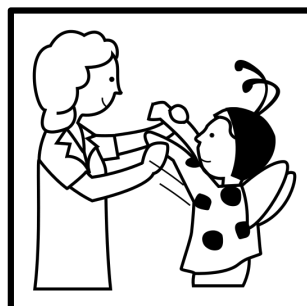

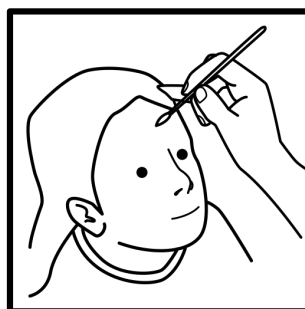

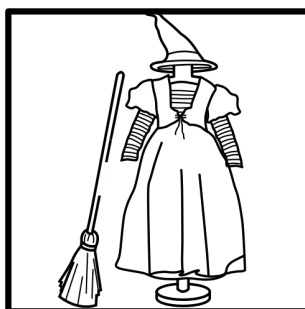

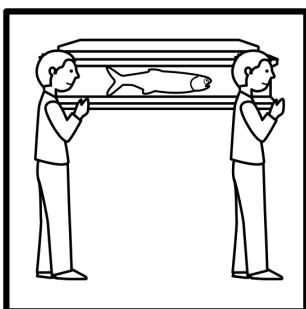

BINGO

Podem col·locar les imatges petites amb velcro en una ruleta i repartir un cartró de bingo a cada nen (podem fer-los diferents o iguals perquè tots guanyin). Han de tatxar cada imatge que surti. Si no tenim ruleta, podem posar les imatges petites en una capseta i anar traient-ne sense mirar

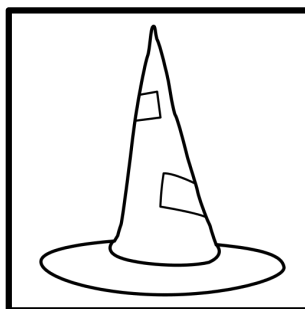

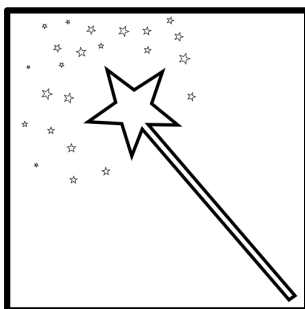

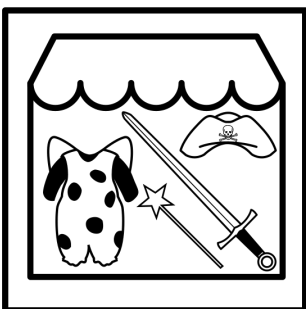

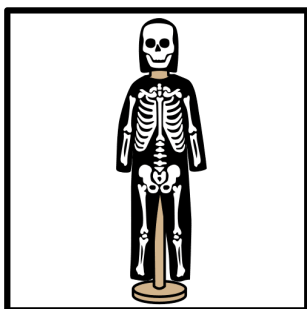

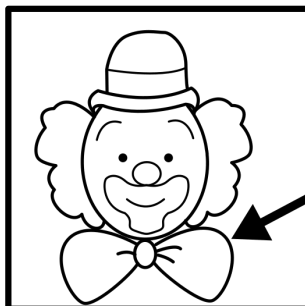

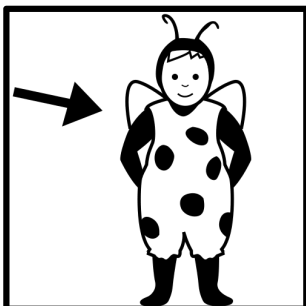

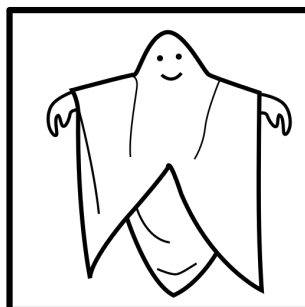

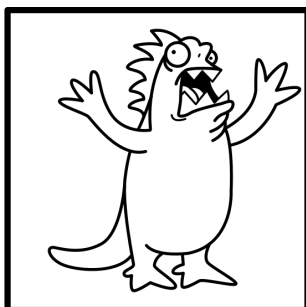

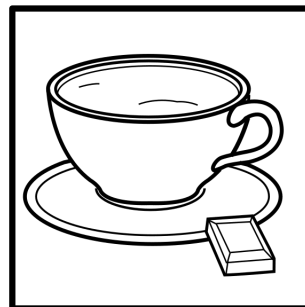

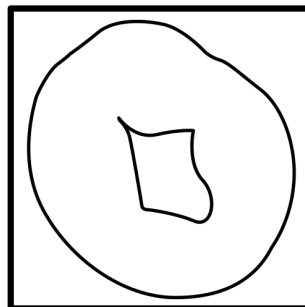

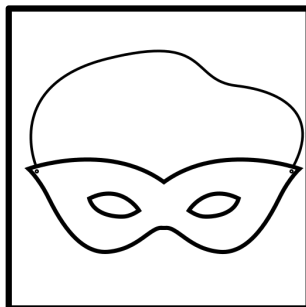

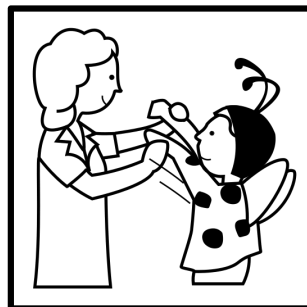

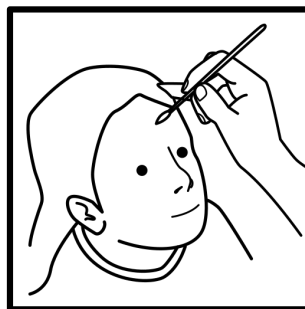

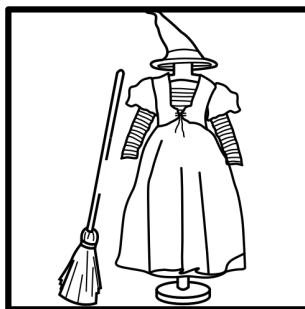

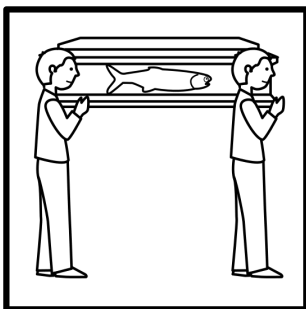

ESCOLTA

Repartim les imatges petites entre els alumnes i el professor diu el nom d'una de les imatges. Els alumnes han d'escoltar i, qui tingui la imatge mencionada, ha de prémer un polsador o aixecar la mà.
