

CUADERNO DE PASATIEMPOS PARA LA ESTIMULACIÓN COGNITIVA DE...

BY DIANA BERICOCHEA CON PICTOGRAMAS DE ARASAAC

PRESENTACIÓN

Material destinado al desarrollo de la estimulación cognitiva.

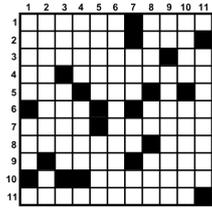

Elaborado para REALIZAR en un aula TEA enmarcada en un proyecto educativo basado en El espacio.

Este cuadernillo está compuesto por 10 fichas de actividades diversas de pasatiempos adaptados a niños con necesidades educativas especiales.

Muy visuales y fáciles de entender sin necesidad de explicación verbal para potenciar la autonomía del alumno en su ejecución.

Este cuadernillo complementa el cuadernillo de estimulación cognitiva 18 sobre el espacio que se puede descargar desde la web de ARASAAC o desde el blog de educacion-espacial.blogspot.com

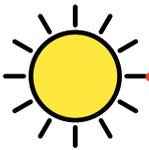

Elaborado por Diana Bericochea (Maestre de AL y PT)
