

LOS SONIDOS DE LAS PALABRAS Y SUS LETRAS

GESTOS GUBERINA

Soraya Sánchez García

Virginia Aragón Jiménez

INSTRUCCIONES

OBJETIVO GENERAL:

- Proporcionar al alumnado un repertorio de imágenes que contienen las sílabas del sonido modelo.

OBJETIVOS ESPECÍFICOS:

- Asociar los articulemas aislados y en sílabas con sus grafías.
- Reconocer imágenes que contienen determinadas sílabas, apoyados con su lectura.

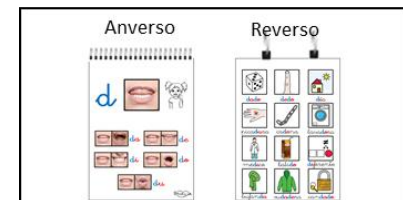

USO DEL MATERIAL:

Este recurso se presenta a modo de cuadernillo informativo donde el alumnado va a disponer de manera recogida de una serie de imágenes relativas a un sonido, pudiendo relacionarlas con su grafía.

Hay que recortar tanto la presentación del sonido y su letra como la selección de imágenes, de manera que se pegue una sobre otra quedando en el anverso las letras y sonidos con sus sílabas y en el reverso las imágenes con sus palabras.

El librito resultante se puede encuadernar o sujetar con anillas.

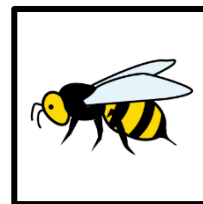

Con este pequeño cuaderno, el alumnado va a poder relacionar, como su título indica, los sonidos de las palabras y sus letras, conociendo la posición tanto oral como escrita, de las sílabas dentro de la palabra.
