

IKUSI MAKUSI... UDA

IKUSI MAKUSI... NEGUA

A collection of 25 anatomical illustrations of human body parts, arranged in a grid-like fashion. The illustrations include: eyes (top left, middle left, bottom right), hands (top right, middle left), feet (middle left), nose (middle right), mouth (top right, bottom right), tongue (bottom right), heart (top right), lungs (middle left), stomach (middle right), intestines (middle right), kidneys (bottom left), and various joints (middle left, middle right, bottom left). The illustrations are simple line drawings with some color shading, set against a white background.
