Album : Le loup qui enquêtait au musée

Compétence du B.O

Compétences du socle commun

Mode d'emploi (à adapter au niveau de l'élève) :

1. Lire la phrase en face à face avec l'élève.
2. Lui faire lire (2 à 4 fois) (variables pédagogiques : réglette de lecture, suivre avec le doigt, avec/sans pictos).
3. Découper les étiquettes (documents annexes) correspondantes au niveau de l'élève (en script).
4. Demander à l'élève de reconstituer la phrase à l'aide des étiquettes-mots (variables pédagogiques : découper toutes les étiquettes, écrire la phrase au tableau en script ou en cursive, insister pour qu'il reconstitue la phrase mot à mot dans l'ordre)
5. Faire relire à l'élève la phrase reconstituée (si besoin, la relire avant)
