¡ATENCIÓN! EXPLICACIÓN DEL MATERIAL!

Las fichas que se presentan a continuación pretenden trabajar la lectoescritura a través de distintos medios (discriminación visual, conciencia fonológica, trazo, conciencia silábica...).

Se presentan tanto en mayúscula, como en minúscula y con distintos niveles de dificultad algunas de ellas (pegar, repasar, o escribir por ejemplo). Por este motivo, deberíamos escoger las que se adapten al nivel del niño con el que estamos trabajando, no se trata de hacer todas las fichas de todos los niveles.

Se pueden trabajar en formato papel, a modo lámina con rotulador de pizarra o también en la PDI.

Además, estas fichas que trabajan el fonema de forma silábica, se pueden complementar con el material de lectura ecléctica que se adjunta en el archivo correspondiente. Posteriormente, trabajaríamos el material con las fichas de frases.

Cada fonema está asociado a un color. En este caso, se han escogido los colores de los "articulemas" que podemos encontrar en el blog <https://siembraestrellas.blogspot.com/search/label/COMUNICAR-NOS> Los cuales son muy útiles para utilizar, previo al inicio de la lectoescritura, así como todos sus materiales.
