Zgornjo tabelo izpolnite in izdelajte gradivo po navodilih v spletni učilnici. Za podporo uporabite piktograme, ki jih pridobite na portalu ARASAAC. Za velikost piktogramov v navodilih priporočamo 2 cm × 2 cm, za piktograme v nalogah pa 5 cm × 5 cm ali 6 cm × 6 cm.

V kolikor boste uporabljali gradiva iz drugih virov, to navedite na strani v obliki sprotne opombe (v Wordu uporabite ukaz Sklici → Vstavi sprotno opombo).

Iz predloge ne odstranjujte navedb na strani, kjer je naslov gradiva.

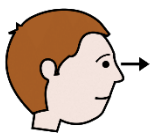

Pripravljeno gradivo shranite v obliki PREDMET_Ime-vsebine.docx in datoteko naložite v spletno učilnico na ustrezno mesto.
