INSTRUCCIONES

Estas actividades están pensadas de varias maneras. Mi recomendación es que dependiendo de las características del alumnado, imprimas (A **DOBLE CARA POR EL LADO CORTO**) (desde “*vocabulario de verano, hasta busca el mismo picto*”, el resto de páginas, pueden imprimirse a una cara) y plastifiques un tipo de actividades u otras.

Las primeras, están pensadas para imprimirlas a doble cara por el lado corto, y plastificarlas. Y seguidamente a esta página, imprimirla a una cara, recortar y plastificar. Por detrás, poner velcro y listo para usar como un libro móvil.

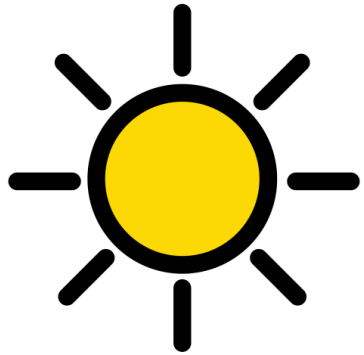

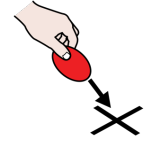

Para la utilización de velcro, os recomiendo que en aquellos materiales que hagáis, pongáis la parte más dura y rugosa del velcro en el objeto que vayáis a mover, y la parte del velcro más suave, en el lugar donde vais a colocar el objeto.

Para ello, te recomiendo que veas el perfil de TIKTOK, de @maestrovictor, donde explica con un vídeo lo que os acabo de contar.

¿CUÁNTOS MESES DURA EL VERANO?
