

Whisky il ragnetto

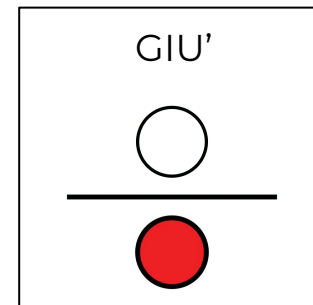

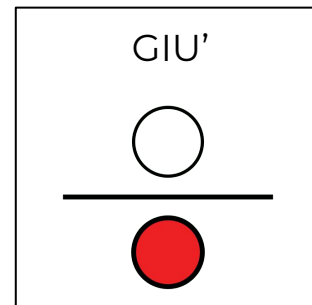

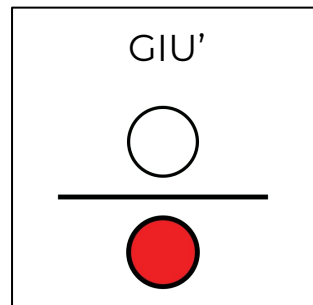

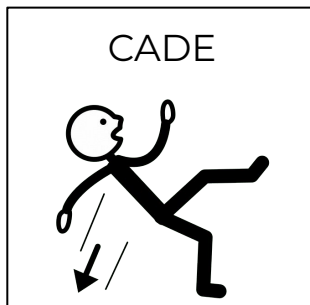

Whisky il ragnetto sale la montagna

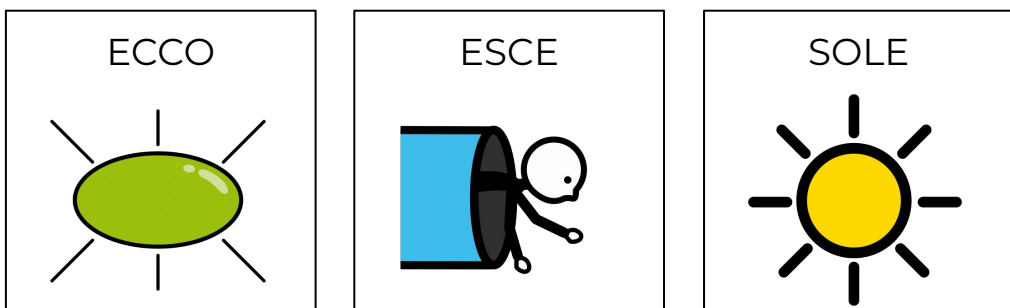

La pioggia lo bagna

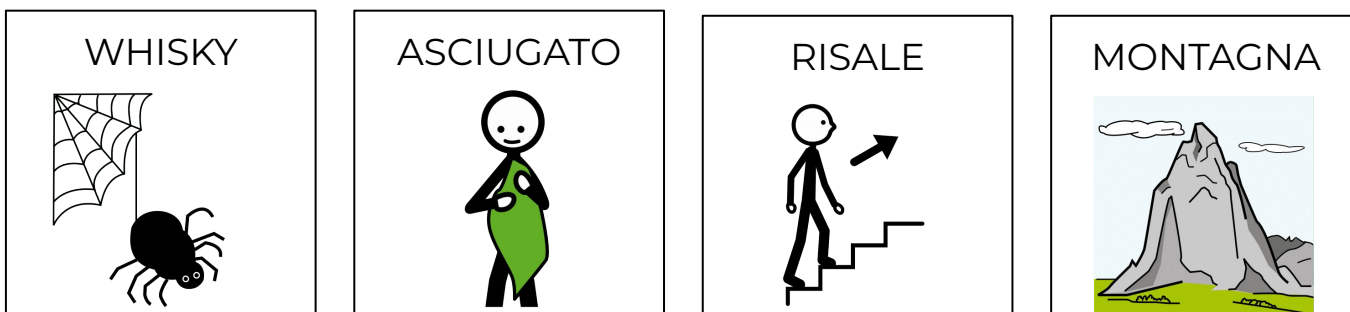

E Whisky cade giù giù giù

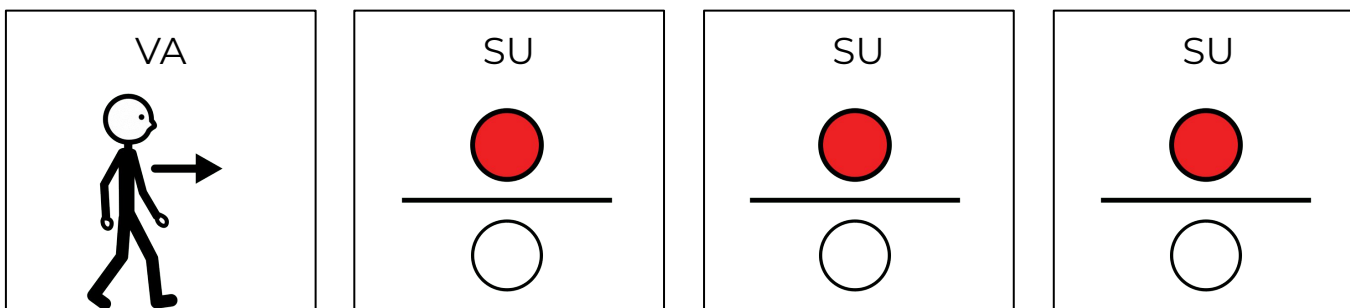

Ma ecco esce il sole

Whisky si è asciugato , risale la montagna

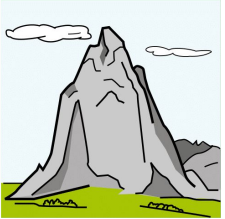

E va sempre più su su su

Sulla montagna c'è una casetta

MONTAGNA

CASETTA

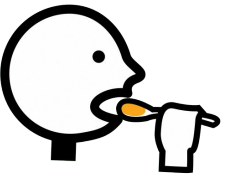

Con una streghetta

STREGA

Che se lo vuol mangiar gnam gnam

MANGIARE

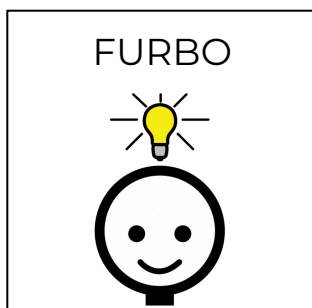

GNAM

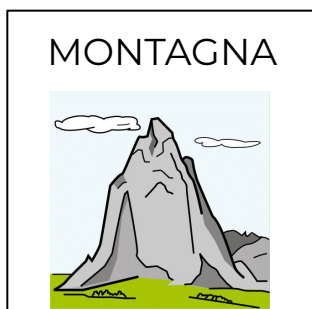

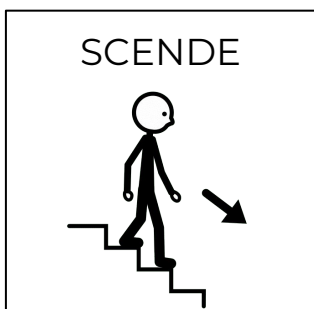

GNAM

Ma Whisky è molto furbo

Scende la montagna

Va dalla sua mamma , e non la lascia più più più
