Normas del juego:

- Clasificamos los animales según los colores:
 -  Son: vertebrados o invertebrados
 -  Clase de vertebrado: mamífero, ave, reptil, pez o anfibio.
 -  Son: carnívoros, herbívoros u omnívoros.
 -  Dónde viven: en la selva, el bosque, la granja, el mar o el desierto.
 -  Cómo se mueven: corren, vuelan, nadan o reptan.
 -  Nacen de huevos o nacen de la madre (son ovíparos o vivíparos).
- Si caemos en la casilla del canguro, saltamos como él, de canguro en canguro y tiramos otra vez.
- Si caemos en la casilla de la cueva, descansamos un turno dentro.

¡¡BUENA SUERTE!!
