

LLAVERO PARA PROFESIONALES Y SALIDAS

El documento está preparado en 4 bloques en función del uso:

- Llavero para salidas en autobús.
- Llavero para salidas caminando por el entorno.
- Llavero para tránsitos dentro del centro (alumnado de infantil) y alumnado de primaria.
- Los pictogramas están escogidos en función de las necesidades del alumnado para el que se ha elaborado.

PREPARACIÓN:

- Imprime las tarjetas del bloque necesites. Puede ser opcional incorporar fotos de los profesionales al final.
- Se incluye una tarjeta en blanco para poder dibujar/pegar pictogramas necesarios y concretos para una salida.
- Recorta y plastifica dejando la pestaña lateral. Las pestañas son usadas para localizar con facilidad el pictograma
- Une con una anilla.

OBSERVACIONES:

- El llavero es para uso y apoyo de los profesionales, no para que el alumnado se comunique a través de él, para eso existen otras herramientas de comunicación.
