ISTRUZIONI

Questo documento, intitolato "Le mie prime parole" , è uno strumento didattico inclusivo progettato per l'apprendimento dell'alfabeto e del lessico attraverso i simboli ARASAAC. Il materiale è strutturato per permettere un approccio visivo e manipolativo alla letto-scrittura.

Il fascicolo è organizzato in diverse sezioni chiave:

Parte Prima - L'Alfabeto: contiene tutte le lettere dalla A alla Z in stampato maiuscolo, racchiuse in riquadri pronti per il ritaglio.

Parte Seconda - Le Parole: una serie di schede illustrate che presentano parole che iniziano per consonante (come "Bacio", "Cane", "Dado") e per vocale, complete di pittogramma e testo.

Istruzioni per la preparazione

Per un utilizzo ottimale e duraturo, si consiglia di seguire questi passaggi tecnici.

Stampa: stampare tutte le pagine (alfabetiere e schede parole).

Plastificazione: plastificare i fogli interi

Ritaglio: ritagliare accuratamente ogni singola tessera (sia le lettere che le immagini).

Velcro (Opzionale): applicare dei piccoli bollini di velcro sul retro di ogni tessera e su diversi fogli A4 bianchi per facilitare l'attacca-stacca.

Guida alle Attività Didattiche

Una volta preparato il materiale, è possibile svolgere le seguenti attività:

1. La Grande Divisione: vocali vs consonanti

Questa attività aiuta il bambino a distinguere le due categorie fonetiche fondamentali: prendi due fogli A4 e scrivi su uno "VOCALI" e sull'altro "CONSONANTI".

Chiedi al bambino di smistare le tessere delle lettere (Parte Prima) nei due fogli corrispondenti.

Successivamente, prendi le tessere delle immagini e chiedi di classificarle in base al suono iniziale della parola scritta sopra.

2. Abbinamento Lettera-Immagine su Foglio A4

L'obiettivo è creare una "mappa visiva" per ogni lettera:

incolla (o fissa con il velcro) una lettera plastificata al centro di un foglio A4.

Il bambino deve cercare tra tutte le immagini a disposizione quelle che iniziano con quella lettera e incollarle intorno ad essa.

Esempio: *se si sceglie la "B", si cercheranno "Bacio", "Ballare", "Bici", "Bimbo".*

Esempio: *se si sceglie una vocale, si cercheranno le immagini corrispondenti (es. parole con A, E, I, O, U).*

3. Composizione della Parola

Utilizza le tessere delle lettere come tasselli di un puzzle:

Scegli una tessera immagine (es. "CANE").

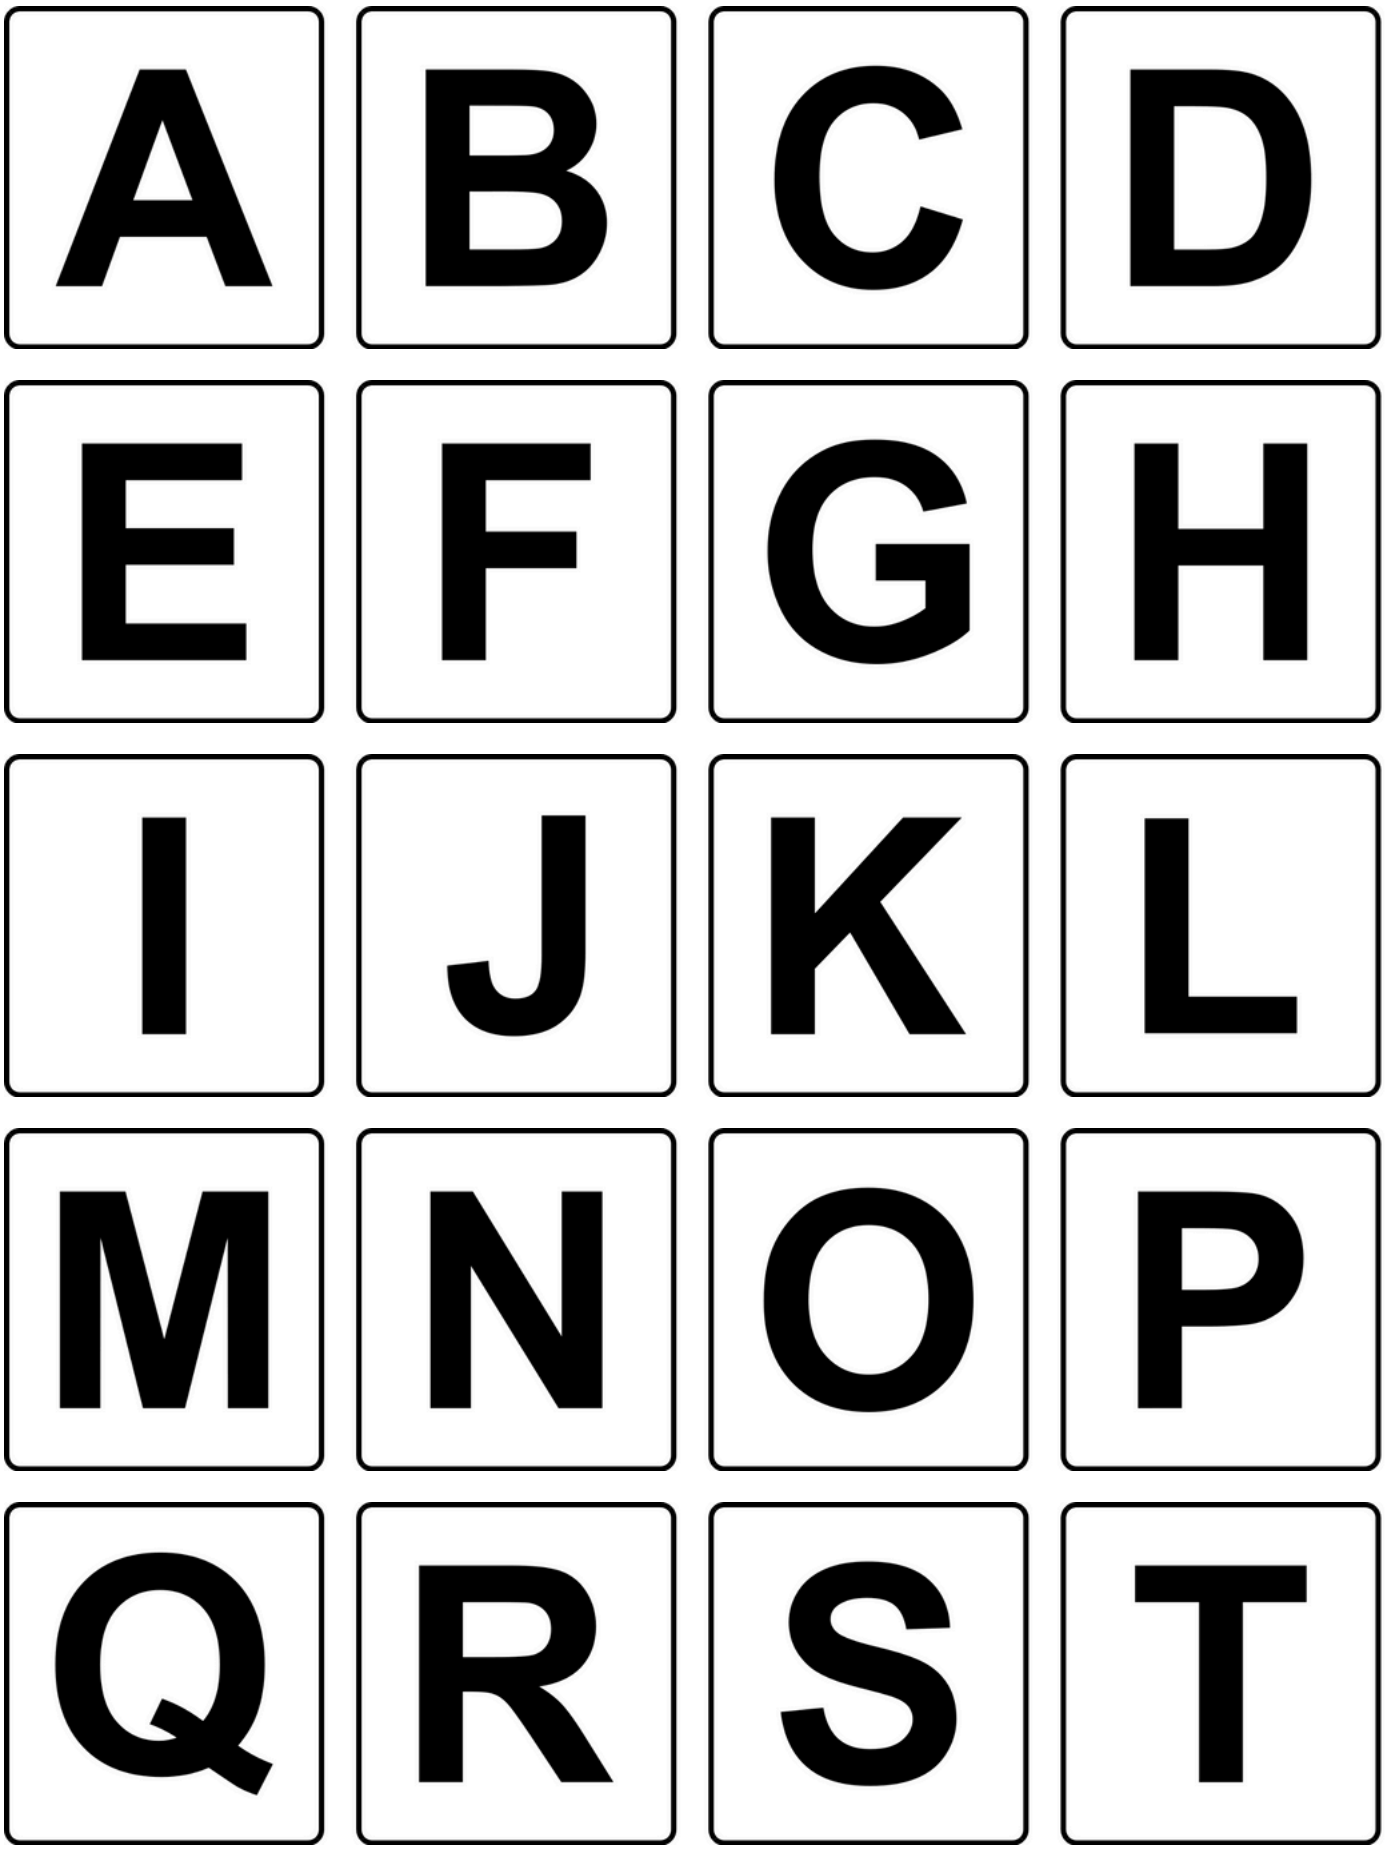

Chiedi al bambino di cercare tra le tessere dell'alfabeto le lettere necessarie per ricostruire la parola "CANE" sotto l'immagine.
