

Qué NECESITO si quiero...

Material elaborado por: M^a Eugenia Sáez Villalba
Blog UN MUNDO ESPECIAL

Qué
NECESITO
si quiero...

MODO DE USO

El objetivo del material es encontrar los elementos que guardan relación con la acción que se presenta a la izquierda. Hay que encontrar qué se necesita para realizar cada acción. Se puede rodear, tachar o marcar de algún modo para ayudar a su desempeño. Una vez nombrado el vocabulario es interesante guiar al estudiante para que explique por qué se usa o no se usa un determinado objeto de la lámina.

LÁMINA	ENCUENTRA LOS OBJETOS	EXPLICA PARA QUÉ SIRVEN ALGUNOS DE ELLOS
